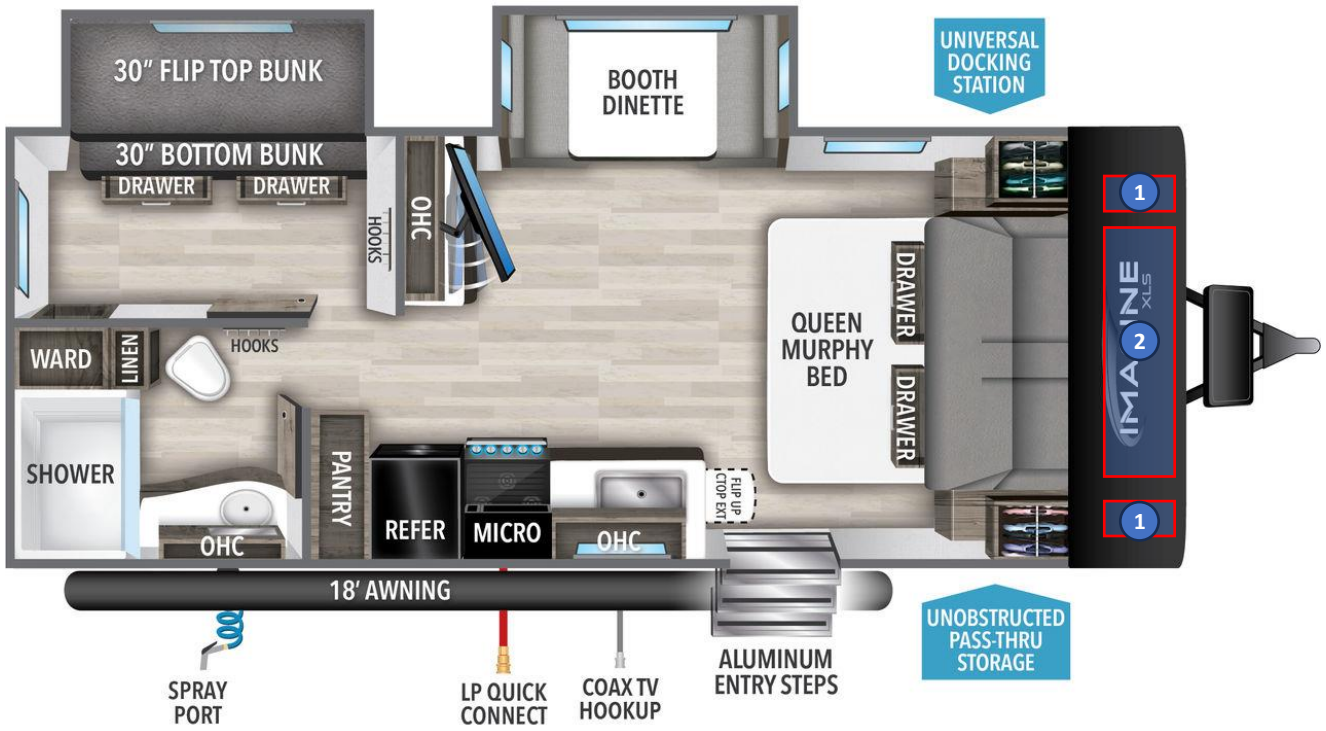
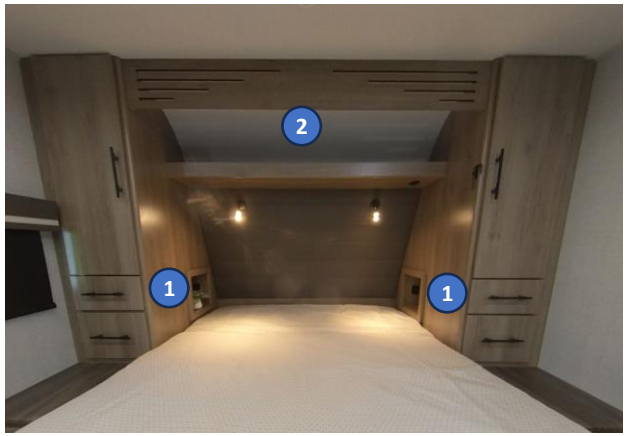
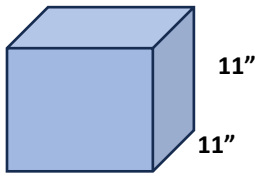
Front Bed Storage

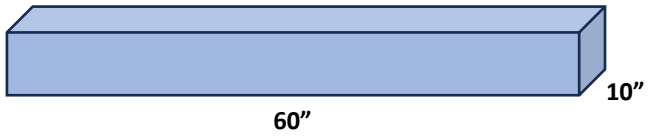




1 Bedside Cubby

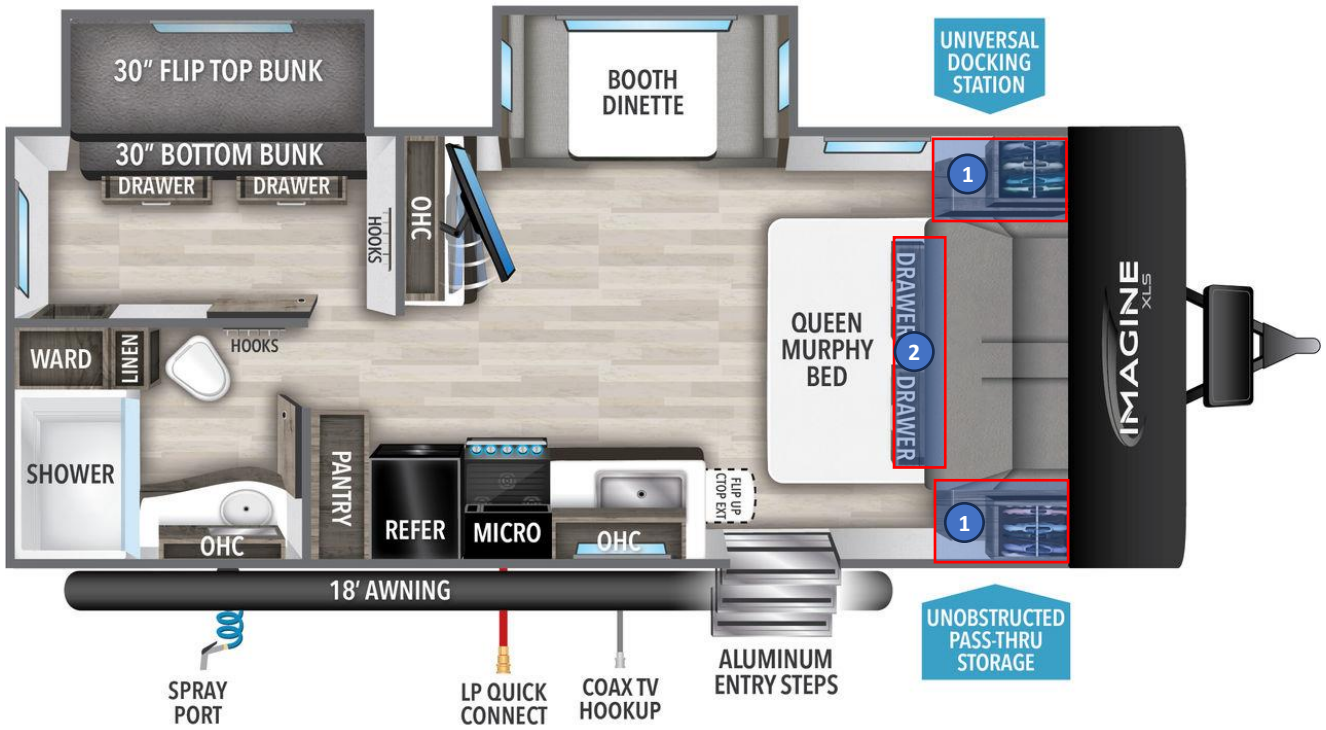


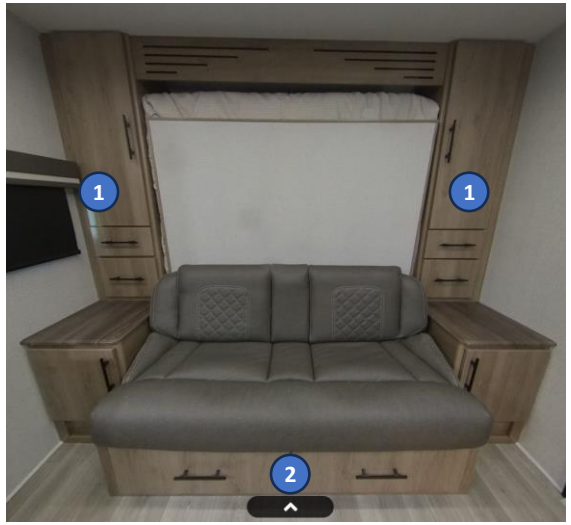
2 Over-bed Loft



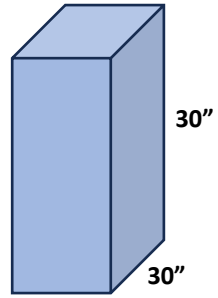
Note: The height is ~10” high and slopes back as it gets to the back

Side Couch Storage

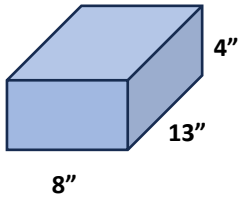


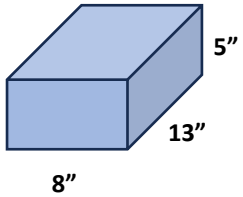


1 Side-Bed

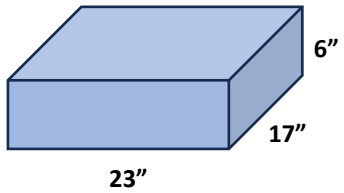


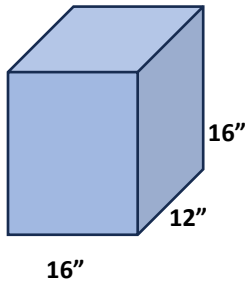
Note: 30" is from the bottom of the drawer to the rod.



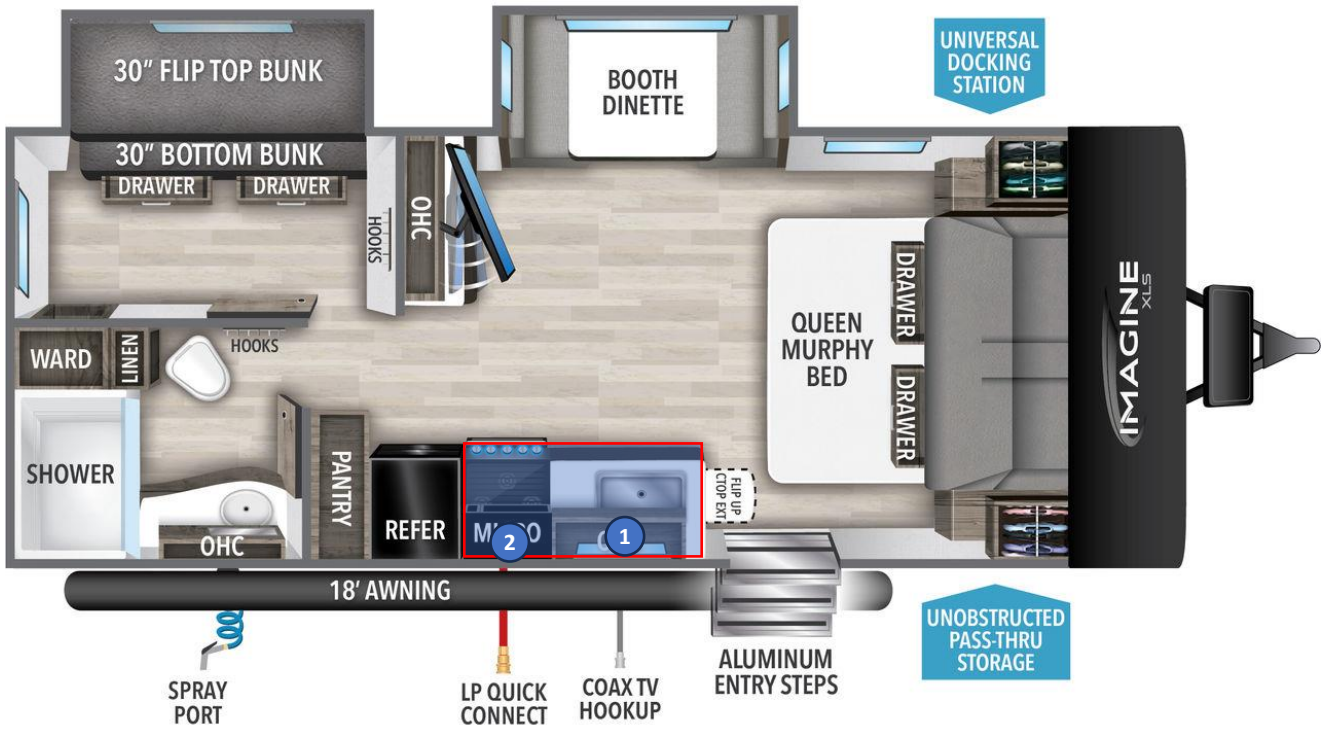


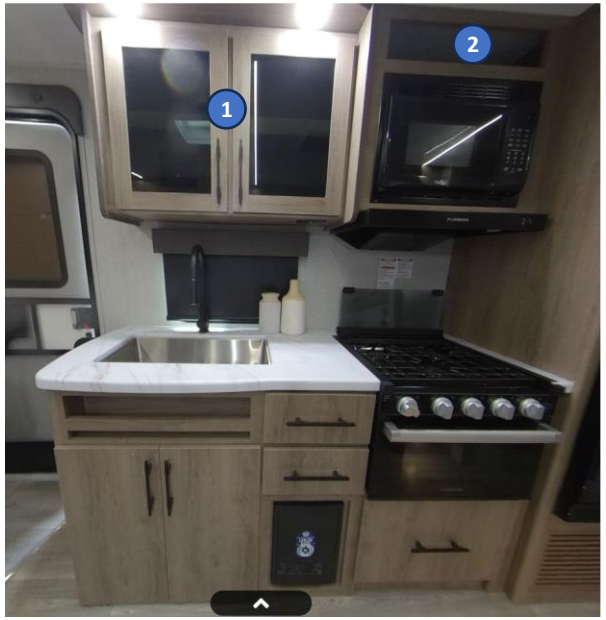
2 Under Couch



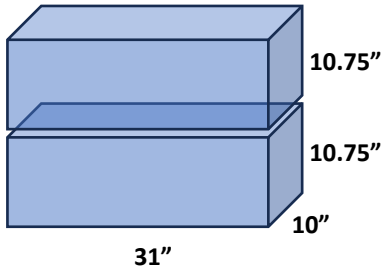


Kitchen Storage

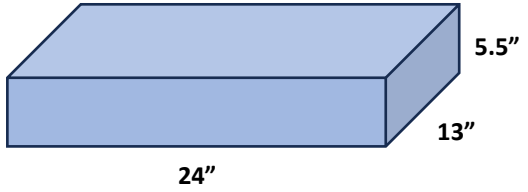




1 Over Sink

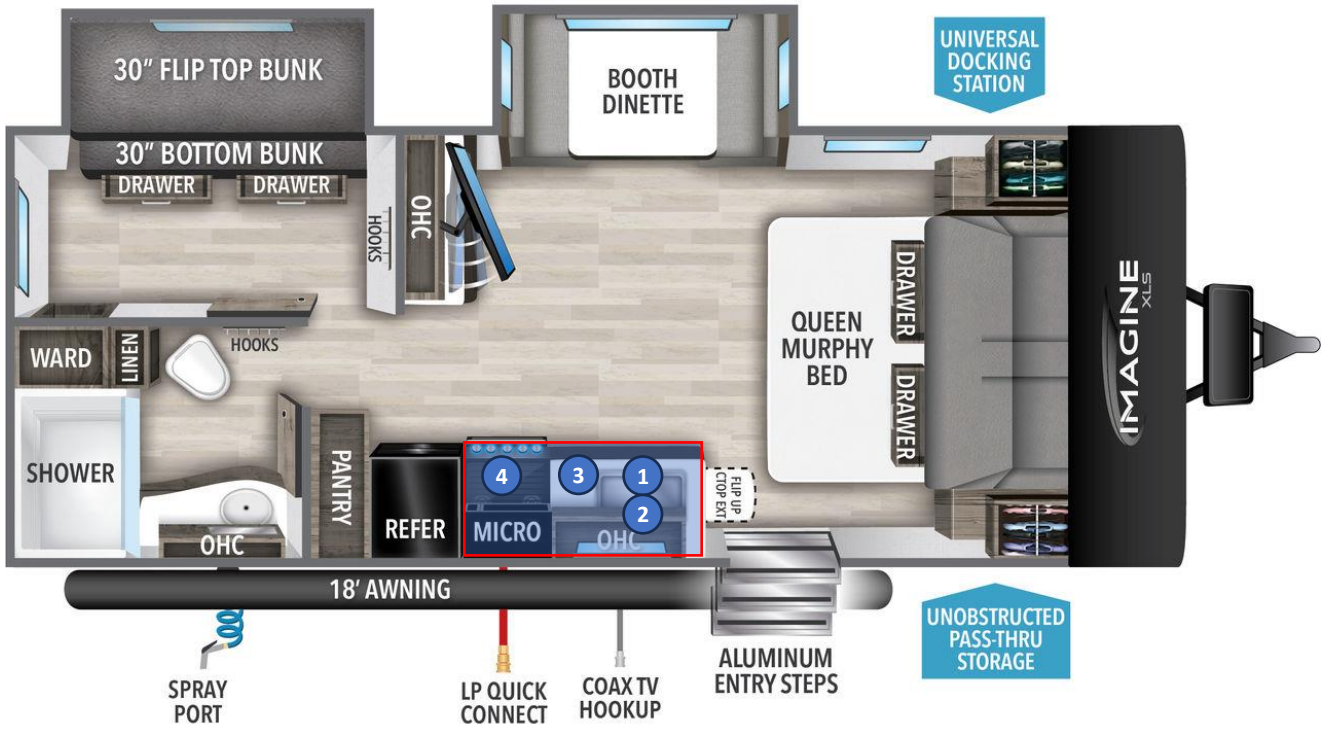


2 Over Microwave

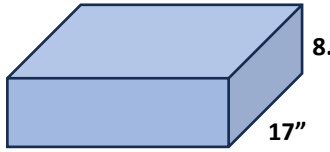


Note: The left side is angled so that the space is less wide as it goes back in order to make room for the RV control panel electronics

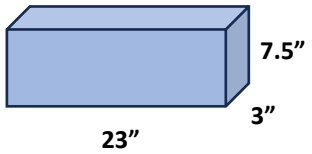
Kitchen Storage



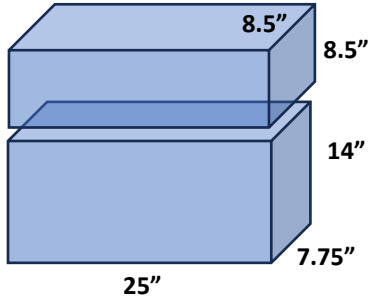
4 Under Oven



1 Under Sink

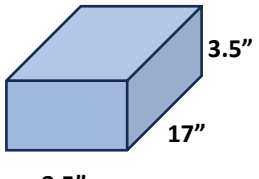


2 Under Sink



Note: The top section has a panel that can be attached to hide the p-trap, but you lose quite a bit of space. The bottom panel hides all the PEX tubing.

3 Under Counter



Note: Both drawers are the same size
