

Meet Info

Westover Orcas @ FAST Frogs - 5/28/2016

Gilleland Creek Park

700 N Railroad Ave

Pflugerville, TX 78660

WEATHER

Heavy rains are greatly affecting our facilities and expected storms may cause the meet to be delayed or cancelled. We will make every effort to communicate changes as quickly as possible. Our goal is to complete the entire meet, but your child's safety is our top priority. If there is thunder/lightening in the morning, we will not be allowed in to the pool area for 30 minutes after the storm passes. Depending on the severity, the start time may be delayed while we wait it out in our cars. Please keep in mind we must be out of the pool area by 1PM; this also plays into the decision to postpone or cancel a meet.

Please be patient while we work around the weather.

START SCHEDULE
