Meet Info:

It is recommended that the JV meet be open to JV swimmers and divers of the high school team who are not members of the section team or are in consideration for NWSC All-Conference selection.

The JV meet is a timed finals meet. We will score the top 16 places in each individual event based on Championship meet scoring.

Entries are unlimited in individual events, but only four individuals per school may score. Entries are also unlimited in relay events but only one relay per team will score. Please use the attached entry file for submitting entries.

The forward group is required in the six-dive list for all scoring divers. Due to the expected low number of diving competitors, exhibition divers will be allowed but will not be scored and will not be eligible for ribbons.

Ribbons will be awarded for the top eight finishers in individual events. Relays will be awarded ribbons based upon their scoring place, not necessarily their actual place.

Gate: \$4.00 Seniors/Students \$6.00 Adults

Gates will open for the diving competition at 9:00am. Gates will open for the swimming competition at 11:00am.

Saving seats in the seating balcony is not permitted out of respect for all spectators. Standing in the stairwell is not permitted due to fire code restrictions.

Concessions will be available in the Cafeteria.
