Times achieved by USA Swimming registered athletes will be entered into the SWIMS database following procedures established by the MA Times coordinator. Procedures for identifying the athletes and times to be submitted will be provided by the Times coordinator. It will be the responsibility of the meet host to provide correct USA Swimming registration IDs for each Member Athlete.</li> <li>2. The times achieved by Member Athletes at an Approved Meet may be used for entry to any USA Swimming competition, or for any other purpose which requires an Official time including consideration for National Top 16, Middle Atlantic Top 10, Middle Atlantic records, and Middle Atlantic Zone Team (subject to MA Zone Team regulations.)</li> <li>3. All LSC teams will use the same procedure, but should contact their local registrar if they have issues.</li><li>3. <b>BEFORE</b> you do your meet entry, go through your database with the roster from your registrar in front of you. Make sure your athlete's USA ID numbers are correct in your computer (i.e. that they match the roster). <b>DELETE</b> the ID numbers of any athletes that are not registered for the current (not the athlete, just the ID number). In all probability, you have athletes in your computer that are not registered for USA Swimming but do have USA Swimming ID numbers. It will make your life easier going forward if they do not have a registration number until they are officially registered and paid for.</li><li>4. After the entry deadline, the meet director will send a backup copy of the meet to the MA Office for a USA Swimming meet reconciliation. It is essential for you to make sure that the athletes you think registered actually are and that unregistered athletes do not have an ID number.</li><li>5. Any athletes that are unregistered for the current year or those that have incorrect ID's (or middle initials, or teams) will be reported back to the meet director. The meet director should report that information back to you! If you need to register athletes, there is a small window of opportunity to do it before the meet. If you go over the data in your computer with your roster before you do your entry, <b>you can eliminate the last minute registration headache!</b> If there are any problems with your database and/or roster, you have time to call the MA office (302-429-6288) or your local registrar and get them straightened out. Remember that the LSC staff works normal business hours (9-5).</li></ol> |
