We realize the financial strain these competitions can have on families. The applicant/athlete or their family must be receiving assistance under their local YMCA's official Financial Assistance Program. **Applications are due by March 10, 2022.** Criteria and Application instructions are available at:

As this meet is **USA-S Approved**, there is a daily limit on the number of events a swimmer can swim (rule reference 102.2.2 and 102.2.7).

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet

Example: Swimmer qualifies for the 1000 Freestyle but has not achieved a qualifying time for the 1650 free, that swimmer can enter both the 1000 free and enter the 1650 free as long as they qualify using the bonus 1650 free qualifying time.

**ENTRY TIMES:** No Times (NT) are not allowed. Entry times for individual and relay events shall be the athlete's fastest times achieved during the current qualifying period. (USA Swimming Rule 207.9.4.A) The fastest short course yards times shall be used. If a swimmer has a conforming qualifying time (short course yard), this time must be used, otherwise a non-conforming qualifying time should be used. Events will be seeded with yard times as the fastest times followed by short course meter times and then long course meter times. Entries must be made using actual times. **RELAY ENTRIES:** Relay teams and times may be entered in one of the following ways:

**Intact Relay from the current season** (time achieved between September 1, 2021, and entry deadline) – The time belongs to the team and may be entered without additional qualifications.

**Intact Relay with time achieved between March 1, 2019, and August 31, 2021** – All athletes on the relay team that achieved that entry time must be eligible to compete at the 2022 Short Course National Championship Meet and all four swimmers must be entered in the meet.

**Composite Relay** – The names of each athlete comprising the relay entry must be eligible to compete at the Short Course National Championship Meet and appear on the team entry.

When completing your entry for these individuals and your team (if you have other qualifiers) you will submit your entry using the Online Meet Entry system. You will get an error message saying that your athlete's time does not meet the time

When at the Team Check-in, it is your responsibility to let the Meet Referee know that you have an athlete(s) with a disability on your team. In addition, you should inform the appropriate Deck Referee prior to your swimmers' individual events.

If your athlete has a chance to set an American Record, please note that possibility with your entry and inform meet management and the announcer prior to the event. If a record is achieved, please follow up with meet management to complete the necessary reporting process.

The coach will receive the athlete's deck credentials, athlete gifts, team information packet, coaches' gift, and coaches' deck passes.

**NEW COACHES MEETING:** All new coaches (not just new teams) are invited to attend the New Coaches Meeting on Day 1 to go over meet procedures and answer any questions they may have regarding the national meet. This meeting creates a setting for new coaches to ask questions in a smaller setting with other new coaches at the meet.

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

**COACHES MEETING:** At least one coach from each team is expected to attend the Coaches Meeting on Day 1. Rules and procedures will be reviewed along with introductions of the Championship Meet Committee and the Facilities staff.

**PROOF OF TIMES: USA-S SWIMS:** If the swimmers' entry times cannot be verified in the USA-S SWIMS database, then they are subject to being randomly selected for proof of the entry time. A 15% or less random sampling of entry times not reconciled against SWIMS will be selected for Proof of Times

The teams randomly selected will be notified via email within 3 days after the Entry deadline. The email address which will be used is the email address entered during the On-line Entry Process. The selected teams will also be posted at <https://www.teamunify.com/team/yusa/page/ymca-nationals/2022-ymca-short-course-national-championship-meet>. Only the specifically selected times must be proved.

All proof of times will be performed during the Meet Check-in process. Do not send proof of times to the Entry Chair or Meet Director.

The entered time (seed time) must be proven to the hundredth of a second.

Failure to have proof will result in the elimination of that athlete from that specific event unless heats have been seeded, in which case it counts as an event and they may not swim in it.

Proof may be presented from the SWIMS database. Results for meets not in SWIMS must be official printed meet results.

High school swim meets are swum under NFHS rules, which differ from the USA-S technical rules in a number of areas. For a time from a high school meet to be accepted, that meet must have been observed by USA-S or YMCA officials in accordance with USA-S Rule 202.8. The printed results of the event must show the USA-S Observed Meet number issued by the LSC and must be signed by one of the USA-S or YMCA observers.

Coaches are reminded that other factors may require a team to prove USA-S non-reconciled times. This includes, but is not limited to, a protest from another coach.

**PROVING A RELAY TIME:** The intact relay time or individual times that comprise a composite entry time must be proved. If the intact time was achieved between March 1, 2019, and August 31, 2020, then the members of that relay must also be

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

entered on the team's official entry. If a composite time is used, all athletes in the composite must be entered on the team's official entry.

**MISSTATED TIMES:** If a time is misstated in an event, the proven time will be accepted provided proof can be shown that the athlete's time is at or below the Time Standard for that event. A penalty fee for misstated times will be \$25.00 per individual event and \$50.00 for relays. Misstated times will be corrected providing the scratch box has not been closed for that day. There will be no penalty fee for misstated letters (Y, S or L).

Under no circumstances will a time-change be accepted that is faster than the seed time entered during the on-line entry process, even if a faster time can be proved.

**ATHLETE VILLAGE:** We are asking coaches to encourage swimmers to use the Athletes Village located in the Special Events Center during Prelims whenever they are not swimming. With 1,400 or more athletes attending the competition, the pool deck is too crowded to accommodate everyone. Your cooperation will give each athlete an opportunity to do their best.

All Teams will be assigned to a large common area. Please remember that everyone is responsible for their personal belongings. Swimmers should never leave any of these items unattended.

## CHAMPIONSHIP PROCEDURES AND OPERATIONS

**CHAMPIONSHIP COMMITTEE:** The Committee is listed in Appendix 3

**RULES:** The meet will be conducted under the Rules that Govern YMCA Competitive Sports, the Addendum to the Rules that Govern YMCA Competitive Sports, and USA-S Technical Rules.

**RESPONSIBILITY OF COACHES AND ATHLETES:** It shall be the responsibility of the coaches and athletes to acquaint themselves with all information pertaining to swim-offs, Finals, and their participation therein, and other related meet data including scratch procedures.

**MEET FORMAT:** The meet will be swum using a Timed Finals and Prelims & Finals format depending on the event. Swimmer's age will be determined as of the first day of the meet.

**EVENT SEEDING:** Events will be seeded slowest to fastest (except the 1650 freestyle, 1000 freestyle, and 800 freestyle relay) with non-conforming entry times (long course meter and short course meter) seeded first. The Administrative Referee reserves the right to combine heats.

**HEAT SHEETS:** Coaches may pick up their session heat sheet at the HELP Desk on the pool deck. Officials will pick up their Heat Sheet in the officials' meeting for the session.

**WARM-UP AND POOL ENTRY:** During designated warm-up sessions, athletes may only enter the competition pools from the starting ends. At all times other than competition, athletes are expected to use a three-point entry in which they sit on the edge of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm-up periods when sprint lanes are designated for practicing racing starts.

Coaches are responsible for the safety of their athletes and are expected to always monitor them during warm-up sessions. No team has exclusive rights to any pool lanes during the warm-up period, during or before the start of the meet. Teams

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

will need to share lane space and work cooperatively in the reflection of the YMCA values and sportsmanship.

The policy for the use of training equipment is:

- Training equipment is not allowed in the competition pool at any time during warm-ups.
- Training equipment will be allowed in the non-competition pools when general warm-ups are taking place in the competition pools.
- Once the competition pool switches to specific warm-up then training equipment is no longer allowed in the non-competition pools.
- Training equipment will not be allowed in the non-competition pools when prelims, time trials or finals sessions are taking place in the competition pool.
- The coach whose athletes are utilizing training equipment should monitor its use to ensure a safe environment for all athletes.

**RELAY CHECK-IN PROCEDURE:** Prelims –Teams will not need to file a relay form for Prelims if the same swimmers who were entered during the on-line entry process will swim in Prelims in the same order as entered. If the swimmers in Prelims are different than the swimmers entered on-line (or in a different order), then a relay form must be filed.

Prelims – Relay forms will be available at the Proof of Times table during Check-in or at the Scratch/Relay table and HELP Desk during the meet. The head coach shall list the team name and the competing relay swimmers (last and first names) in the order that they will swim. Relay entry forms for Prelims must be turned in to the Scratch/Relay table 30 minutes before the scheduled start of the relays. Relay changes may be declared at any time prior to the start of the heat, but the coach **MUST** submit a Relay “Change” card to the Deck Referee prior to the start of the relay’s heat.

Finals -Teams qualifying for Finals will not need to file a relay form for Finals if the same Swimmers who swam in Prelims will swim the same order in Finals. If the swimmers in Finals are different than the swimmers in Prelims (or in a different order), then a relay form must be filed and submitted 30 minutes prior to the relay. All other instructions and conditions shown above shall apply.

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

**SCRATCH PROCEDURES:** Once entries have been submitted, an athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet. The USA-S scratch procedures (USA-S Rule 207.11.6) will be followed, as modified for this Meet as set forth below: Scratch cards will be available from the Scratch table and the HELP Desk.

**SCRATCHING FROM PRELIMS:** The athlete or coach must complete and submit a Scratch card to the Scratch table by 5:00 PM on the day prior to the event. For the Day 1 events, the Scratch table will close at 1:00 PM on Day 1.

**SCRATCHING FROM A TIMED FINALS EVENT:** Athletes may scratch from a timed Finals event in accordance with the procedures for Scratching from Prelims.

**SCRATCHING FROM FINALS:** For an athlete initially qualifying for the A, B, or C Finals, the swimmer or his/her coach, must notify the scratch table within 30 minutes following the announcement of his/her name as a finalist that he/she will not compete in Finals in that event.

If there have been scratches from a Final event, the Administrative Referee will attempt to notify any swimmer moved up into FINALS.

Failure to compete in a Finals Event from which the athlete has not scratched shall disqualify the athlete from the remainder of the meet. However, no penalties shall apply for failure to compete in Finals if the referee is notified in the event of injury or illness and accepts the proof thereof, or it is determined by the Referee that failure to compete is caused by circumstances beyond the control of the athlete.

**DECLARATION OF INTENT TO SCRATCH:** An athlete qualifying for A, B, C Finals (or his/her coach), based upon the results of the Prelims in an event, may notify the Scratch/Relay table within 30 minutes after announcement of the qualifiers for that event that he/she may not compete in the Finals of the event, pending the results of a subsequent individual Prelims event in which he/she is entered. The athlete (or his/her coach) must then declare his/her final intentions within 30 minutes following their last individual Prelims event (USA-S Rule 207.11.6E(2)). If the athlete (or his/her coach) does not declare his/her final intention, it will be assumed the athlete has chosen not

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

to scratch from the Finals of the original event. If the athlete then fails to compete in this Finals Event, he/she shall be barred from further competition for the remainder of the meet (USA-S Rule 207.11.6D(1)).

**DECLARED FALSE START:** An athlete may also withdraw from a Prelims heat, timed final, or swim-off by electing to take a declared false start. Such a declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

**NO SHOW:** An athlete who is seeded in a preliminary event and fails to compete (i.e., a "no show") shall not compete in any further individual or relay events on that day unless the athlete and/or coach declares an intent to swim to the Administrative Referee prior to the next scheduled event for the athlete.

In addition, the athlete shall not be seeded in any individual events on succeeding days unless that athlete and/or coach declares their intent to swim prior to the close of the scratch box for the next day's events.

(Note that under USA-S rules, a no show is automatically barred from all further individual and relay events for that day (Rule 207.11.6C); we are easing that burden, particularly for relay swimmers.)

**STARTS:** 'Fly-over' starts may be used at this meet for Prelims and Time Trials.

**SWIM-OFFS:** In the event a swim-off is necessary, the meet Administrative Referee will set a time for the swim-off which will not be any later than 45 minutes after the last heat of any event in which any of the swimmers in the swim-off is competing. (USA Swimming Rule 102.5.2).

**TIMING:** The timing of all swimming events will be posted to the hundredths of a second. In the case of a tie to the hundredths of a second in a preliminary event, swim offs will be scheduled, as necessary, in accordance with Rule 102.5.2.

**RELAY TAKE OFF JUDGING:** Referees and officials will follow USA-S technical rule 102.13.6 (A, B, and C) to judge relay take-offs.

The Greensboro Aquatic Center has an electronic take-off device. This device will be incorporated into the relay take-off judging using the following procedure:

- When an early relay take-off is confirmed by two officials following USA 102.13.6 A/B/C, the referee will check the electronic take-off device to confirm the swimmer left early. If the electronic take-off

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

device confirms early take-off the DQ will stand. If the electronic take-off device does not confirm an early take-off, the DQ will be overturned (i.e., canceled).

- The electronic relay take-off device will only be referenced if and when a dual confirmation DQ from two officials is confirmed. Otherwise, the electronic relay-device will not be referenced. In other words, the electronic relay device will not be used to DQ an early take-off that was not confirmed by officials.
- Electronic relay take-off data (independent of whether it was used or not used) will not be included in any meet results including ACTIVE Meet Mobile results, HYTEK Meet Manager results, printable meet results, and meet results export from Meet Manager
- **Electronic Take-Off Device Determination Summary**

<b>JUDGE DETERMINATION</b>	<b>Electronic Take-Off: False Start</b>	<b>Electronic Take-Off: No False Start</b>
<b>Judges Call: False Start</b>	<b>DQ</b>	<b>No DQ</b>
<b>Judges Call: No False Start</b>	<b>No DQ</b>	<b>No DQ</b>

**INITIAL SPLITS:** Coaches desiring a time for an initial split in an individual or relay event must complete the appropriate form and present it to the Deck Referee prior to the swim in question so that additional timers can be provided as a back-up to the timing system. Forms are available at the HELP Desk. Coaches may be asked to provide one or more timers for their athletes.

**HELP DESK:** General meet information, Heat Sheets, Bio Forms, Facility Information, Relay Change Cards, Requests for a Time for Initial Split, etc. can be obtained at the HELP Desk, located on the pool deck outside the First Aid room.

**PARADE OF ATHLETES PROTOCOL:** We are all blessed to be a part of the rich history and tradition that makes up the YMCA National Swimming Championships. One feature that separates this meet from other National Championships is the Parade of Athletes. The splendor of the parade helps to make YMCA Nationals a unique and unforgettable experience.

The parade is also a powerful vehicle to promote our image and values and to preserve the tradition of the YMCA National Championships. It provides each team with a unique opportunity to represent its identity within the YMCA Championship meet theme. We are looking for our athletes to add to the meet experience and showcase something special about their state, league, or YMCA.

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

In choosing to take part in the parade, our athletes are not only representing themselves. They are also representing their coaches, their home YMCAs, their state, and YMCA swimming as a whole. We ask that our coaches and team leaders work with their athletes to ensure that our parade remains a mature, tasteful, and YMCA-appropriate activity. In this way, the parade will showcase all the positive and dignified aspects of our championship meet that we would like to be broadcasted locally, regionally, nationally, and worldwide.

Please help us continue to improve this great tradition and ensure that it is a part of the YMCA National Championships for a long, long time.

**SENIOR RECOGNITION:** Graduating Seniors will be recognized on Day 3 prior to Prelims. Seniors will have the opportunity to submit their picture and future plans for inclusion in a slide presentation to be played on the video screen. Their names will be included in the Day 3 program/heat sheet.

**COACH OF THE MEET:** The Coach of the Meet Award (given in memory of Larry Lyons, a former coach of the M E Lyons swim team) recognizes the coach/coaching staff that has prepared their team for extraordinary performances at these Championships. The Award will be determined by a vote of coaching peers at the meet. Consideration criteria may include significant improvement from previous years, sustaining exceptional results from year to year and record-setting efforts.

The Joseph G. Rogers Award statue is permanently located in the International Swimming Hall of Fame Museum, Fort Lauderdale, Florida, with each Honoree's name affixed in bronze on the base. Connie served in every capacity from timer and head timer to stroke & turn judge to scorer to electronic timing system operator. No job was too small for Connie or below him. Whatever needed to be done, he pitched in and got it done. Unfortunately, Connie died suddenly at an early age, and the YMCA lost the services of this dedicated volunteer.

The recipient of this award best represents the ideals of a YMCA Swimming Official and the example set by Connie Carroll.

The recipient will be introduced at the Championship.

### TIME TRIALS

**FORMAT AND FEE:** Time Trials are open only to athletes entered in the Championship meet. The Time Trial Sessions will begin approximately 30 minutes after the Prelims. Each athlete is allowed to enter a total of **four (4)** Time Trials events for the meet. The Time Trial event fee is \$20 per event entered.

An athlete may only swim the stroke being contested in a Time Trials event, e.g., an athlete may not swim backstroke in a breaststroke event in Time Trials.

Once an athlete is entered into Time Trials and the fees paid, there is no refund of the fees.

**TIME TRIAL LIMITS:** The 1650 free and 1000 Free Time Trials will be limited to **2 heats** of 8 entries of the fastest seeded swimmers per gender. The 500 Free Time Trial is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender and the 400 IM is limited to **5 heats** of 8 entries of the fastest seeded swimmers per gender.

The number of Time Trial entries will be limited so that the Time Trial session will be complete by 2:30 PM each day. Should weather or other exceptional circumstances delay Time Trials, we reserve the right to terminate the time trial session if it will run past 3:00 PM. This is necessary to ensure an orderly transition to the evening Finals Session.

A swimmer may swim more than one Time Trial per day as long as the swimmer complies with the USA-S rules below.

USA-S rules limit the total number of individual event swims (Rule reference 102.2.2 and 102.2.7).

- A swimmer may swim no more than 3 individual events per day in a Prelims/Finals meet
- Time trial events must count as a part of this daily total.

**TIME TRIAL ENTRIES:** There are no qualifying standards for time trials. Time Trials may be entered online prior to the meet or hand-delivered for an entry during the meet. Online entry for Time Trials is under a separate meet entry from the Championship meet entry.

Online Meet Entry is encouraged and will be given priority in the event of time restrictions. For on-line entry, the Time Trials event list is separate from the

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

regular meet. Payment for all online entered Time Trial entries must be made at or before Team Check-in.

For entry during the meet, individual and team entry forms will be available at the HELP Desk or the Time Trial Desk. Completion of these forms in advance will save time for the coach and the Time Trial desk. Payment for Time Trial entries made during the meet can be made at the Time Trial Desk with cash and/or check. Make checks payable to the **YMCA of the USA-2022 Short Course**.

**SCRATCHING FROM TIME TRIALS:** If you know a previously entered athlete will not compete in a Time Trials, please inform the Time Trials Desk prior its closing. While there will be no refund, your effort to remove the athlete prior to seeding will increase the efficiency of the Time Trials and our ability to accommodate all athletes who wish to compete.

**TIME TRIAL PROCEDURE:** The schedule of time trial events each day will include the events swum during that prelim session and the events to be swum during the next day's prelim session.

An athlete may switch events without incurring an additional fee by scratching from one event prior to the event's final seeding and entering into another event. After the final seeding, the swimmer cannot switch events. A new desired event can be entered by submitting a new Time Trial event form and paying the Time Trial event fee.

After time trial entries close for the day, a determination will be made if there is time to swim all scheduled events during the afternoon's time trial window. At approximately 11:00 AM each morning a notice will be posted at the Time Trial office and at the Help Desk indicating which of the events on today's time trial schedule are expected to swim this afternoon. Athletes entered in scheduled time trial events for which time was not available for them to swim will be permitted to change their entries to time trial events offered on a subsequent day at no cost.

Each morning after Time Trial entries have been closed, the psych sheet for that days' Time Trials will be posted. An announcement will then be made by the announcer asking coaches to review their Time Trial entries for the day.

Coaches should review the psych sheet to ensure their entries are correct. If they find any errors, they should report them promptly to the Time Trials Desk. Approximately 30 minutes after the posting of the psych sheet, the Time Trials Desk will stop taking updates and begin the seeding process for the Time Trials.

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

---

If an error is discovered after Time Trials have been seeded, an athlete will only be entered into an event if there is an empty lane. It is incumbent upon the coach to find and report errors during the review period in order to ensure their athletes get in their desired events with correct seeding.

**RESULTS:** Time Trials results will be posted on Meet Mobile as a separate meet from the Championship Results.

### LIABILITY, SAFETY AND EMERGENCY PROCEDURES

**INSURANCE:** Each Association participating in this meet must have insurance coverage for their representative(s) including leadership and participants who will be in attendance for the period of travel from their Association to the meet, during the entire period of the meet and return to their Association. The Declaration form (Appendix 4) will automatically be generated at the time of online entry submission and must be signed by each association participating in the meet.

**EMERGENCIES:** The facility personnel will handle all emergencies at the meet. These individuals will provide CPR and first aid as needed and will ensure that individuals with serious injuries are transported immediately to the nearest hospital for further treatment. Defibrillators will be on site.

Any coach, athlete or official who recognizes an emergency situation should immediately inform the facility's personnel and then make sure the vicinity of the emergency is clear for the emergency personnel to do their job.

**CONCUSSION AWARENESS:** This meet will follow the YMCA of USA Concussion procedure. Anyone who observes or has knowledge of a potential head injury should immediately notify lifeguards and/or hired medical personnel. Once the injury report is completed, the lifeguard and/or hired medical personnel will notify the Event Staff, the athlete's coaching staff, and the Meet Director.

If a head injury occurs, the action plan below will be followed:

1. The athlete is removed immediately from participation by the Meet Director
2. The athlete must be evaluated by a licensed health care professional experienced in identifying and treating concussions. In addition, the athlete must be in compliance with the laws that are in effect within the jurisdiction where the meet is held.
3. The coaching staff will inform the athlete's parents or guardians about the possible concussion and give or send them the fact sheet on concussion.

## 2022 YMCA Short Course Nationals March 28-April 1, 2022

4. The athlete will not be allowed back to warm-up or compete until a health care professional, experienced in evaluating concussions determines that the athlete is symptom-free and is OK to return to participation.

At 8:30 AM each morning of competition, our announcer will ask anyone saving a seat to please remove
