Woodley Warriors Weekly

WW vs. Hayfield Farm (Dive) & Divisionals

Dive CHAMPS, Divisionals, & Dancing!

The Dive Team ended their season UNDEFEATED and went 5-0 in back-to-back seasons to become the Division IV CHAMPIONS! The last meet proved to be the toughest competition of the season as both Hayfield Farm

and Woodley were undefeated going in to the final meet. Woodley stepped up to the diving boards and won the meet handily with a final score of 44-27. Way to go Woodley divers! With no graduating seniors, we can't wait to see what you can do next season and hope Coach Ginger returns!

Last weekend was filled with both Swim and Dive Divisionals. It was amazing to see no DQs for Woodley swimmers as well as lots of personal bests and All Star qualifiers for this upcoming weekend! As always, it was a blast celebrating all of our swimmers and divers achievements at the end of the season party! A special thank you to all of the coaches and parent volunteers who contributed to another amazing season! We wish the best of luck to all of our graduating seniors and can't wait to see the rest of you next summer!

Dive Rep Thank You!

Woodley Warrior Families—

Thank you so much for an amazing season! Your gift was incredibly generous and kind! I am so appreciative to all of our Woodley families for stepping in, volunteering where needed, helping to run stellar meets, encouraging our coaches and divers, cheering on the team, and holding baby Emma. I couldn't do this job without your help and support! It is a privilege to be your Dive Rep and watch our young divers grow and mature, overcome adversity, and achieve personal bests. Our Warrior spirit is strong, and this year showcased it in full force.

From the bottom of my heart, Thank You!
Emily

End of season celebration with our Mini-Warriors! We can't wait to see you next year on the competition swim team!

Swim Rep Thank You!

Thank you so much for the incredibly generous gift of appreciation!

It was a joy to watch all the swimmers this summer. I especially enjoyed watching our new swimmers. In just eight short weeks, they went from nervous swimmers who might not have wanted to compete at the Time Trials to confident, strong, and accomplished competitors. For the returning swimmers, I was so proud of their accomplishments, too! They worked hard, never gave up, and continued to be dedicated members of our Warrior family.

I cannot thank the coaches more for all they do for our team. Their professionalism and dedication are essential to our success. In my mind, a coach is someone passionate, encouraging, and maximizes performance by believing. Our coaches never stopped believing in our swimmers. Although the points on the board did not always go our way, they did not give up, throw in the towel, or stop showing up. They jumped right back in the water on Monday morning, worked harder, and, as Mike Stavlund would say, “showed GRIT!” We are fortunate to have a dedicated coaching staff who are positive role models for our athletes. They make my job as a Team rep 100% easier!

Last but never least, to the parents! Your support and respect are the backbone of our program. It takes over 50 volunteers to run just one swim meet, and the swimmers count on all of us to do our part. All aspects of your job matter: their race times, the lane they get placed in, their name being announced correctly, keeping them safe, correcting their stroke, setting the flags, writing their ribbon, verifying their times, nourishing them, or telling them to “take their mark,” they needed you!!! Whether you volunteered a few times, a handful of times, or every single meet (and we had a few families that did), you made a difference! You matter to our swimmers. You, too, are a Warrior!

Your thoughtfulness will be used for a much-needed family vacation. My family is the third generation to call Woodley home, and I look forward to all the years to come. I am excited to watch the next generation of Warriors and cheer them on as they make their mark.

Forever a Warrior,

Carrie
