June 5th, 2021 – Virtual Meet:: Aquadillos vs Hurricanes

148 Aquadillo Swimmers

Hello Dillos!!

Welcome to our first meet of the 2021 season!! Even if you're a seasoned Aquadillo swimmer... hosting a meet at the Village pool will be a new experience for almost all of us! The Dillos have't hosted a meet at this pool since 2009! It may look (and feel) a bit like chaos but it's organized chaos! :)

This book is filled with a LOT of information. I recommend sitting down and reading it with a cup of coffee (or your beverage of choice) before Friday night! Most families want to have everything packed and ready to go before the alarm goes off on Saturday morning! And, if you have any questions, you'll still have an opportunity to ask them! This meet book has a pack list for both you and your swimmer! You don't need to print the entire thing, but you do need to print the heat sheet at the end of the book and bring it with you!

After you park at Village Elementary and walk over with all of your gear -- the first thing you need to do is have your swimmer check in and then you will walk to the next desk and check in as a volunteer. Since we don't have swimmer tents it is EXTREMELY important that your swimmer checks in! If we don't have your swimmer checked in before warm-ups they will be removed from relays! And trust me, the kids love relays!

After you are checked in -- find a place and set up! Details about the location to set up tents are all in this book!

If you wake up feeling sick or have a sick child, you MUST let us know via email: absence@aquadillos.com. That email goes to our head coach, head computer rep, volunteer coordinator and me! Please do not show up sick!

Your board has thoughtfully been working on and planning this season for two years and our goal is for your child to have a fabulous time and find a love of swimming! Please be patient and remember that tomorrow is likely to have a few hiccups!

Thank you!

Katie Schmid

Arm Marking:

E= Event

H= Heat

L= Lane

Use Meet sheet to
confirm child's events
for each day of champs.

You **must** mark your swimmer to reflect their names and which event, heat, lane, and relay they are racing. This is used to help remind the swimmer of their events and our ready bench volunteers and coaches. Use the Heat Sheet to find and highlight your child's events.

Mark the arm as illustrated below in the picture in the order of Event/Heat/Lane/Relay Leg. Write on clean dry skin with no sunscreen. **It is best to do this the night before in order to minimize sunscreen washing it away.** Please also write your child's full name on their upper back.

Marking up your Swimmer

- Meet events are standard for most in season meets. An event might be eliminated due to time constraints.
- Find your child's race information on the Event Reports/Heat Sheets.
- Label your swimmers with a black sharpie with their race details.
- On their back, mark their name 'JOHN SMITH'. You can abbreviate so long as it is enough information for ready bench volunteers to easily identify your swimmer.
- On their forearm, mark their event information: (See further below for Stroke labels)

E	H	L
---	---	---

(E = event, H = heat, L = lane). For relays, add a slash followed by the position on the relay after the lane# (1, 2, 3 or 4)

Meet and Facilities Rules:

- Setting Up
 - Please set personal tents up in an organized manner. Please leave a walking path on the front side.
 - Please be careful and aware of the ants. We are trying to treat and keep them under control but due to the frequency of the rain, it is a challenge.
 - Restroom facilities are available within the pool facility.
 - **Parents and swimmers will be responsible for ensuring that each swimmer is at the front gate on time to get to the ready bench for their event.**
 - Parents and swimmers will be notified of the event and race using Heat Sheets, Race/Heat Board, the DJ, and the Swimtopia app.
 - **Please download the Swimtopia app. This app will keep track of events, meets, and times for each of your swimmers. To be able to utilize the app you will need to get the Pro Version. There is a 7 day free trial.**
- On Deck
 - Only Volunteers and swimmers are allowed on deck and within the confines of the pool fencing.
 - Masks must be worn by all swimmers and volunteers if within the confines of the pool fencing.
 - Swimmers will be required to bring small baggies to place the masks before each race and will pick them up at once the race is completed.
 - Parents who wish to watch their swimmers must observe from outside the Village Pool fencing.
 - Only water is allowed on the pool deck. Food is not allowed on the pool deck.
 - Swimmers will not be allowed to wait for events on the pool deck area during the meet unless they are at the ready bench.
 - **Designated viewing areas are identified, please be respectful and do not congregate or place chairs in these areas.**
 - Once your swimmer's race has completed, parents and families are asked to return to their tent.

A Note From Coach David

We have had a great couple of weeks at practice, and we are ready for this meet! We have enjoyed working with your swimmers and coaches will be on deck cheering for them and coaching them throughout the meet. I encourage you to be supportive before and especially after their events as we want swimmers to do their best, but we also want them to have fun! Have a great meet and swim fast!

Parent/Coach Relay

What better way to encourage your swimmer to swim fast than to show them how it's done?! We will be hosting a parent/coach relay at half time and we want you to swim! If you're interested in participating, please wear your suit on Saturday and make sure to shout "Eat My Bubbles" as you dive in!

Heat Sheet

The Heat Sheet is a program that shows all the participating swimmers and what events they will participate in as well as the heat number and lane number. The announcer will say the event and heat number and there is also a board with this information. You can find more details about the heat sheet on our [website](#). We encourage you to print the heat sheet!
