

East County Swim League Championships 2024

Team Bullpen Arrangement

To keep all of the teams together for ease of communication and access to Clerk of Course, all of the teams will set up on the black tops to the northwest of the pool.

General Traffic access will be available from all three gates surrounding the deck. Clerk or Course Entrance will be outside the gate and will have a sign posting what event is being seated.

We have three VIP popup areas available on the grass area on deck for auction. These areas give quick access to the observations areas and Clerk of Course. If you'd like one of these prime spots, bid here.

Vehicle Access

The only vehicles allowed past the gate up the service road are the vendors and Food Trucks. Temporary access will be provided to vehicles delivering equipment to setup the meet. Once delivered, the team/family vehicle will park in the main parking lot outside of the gate.
