

2018 THANKS FOR GIVING FALL CLASSIC SWIM MEET & FOOD DRIVE

Sunday, November 11

Hosted by the Ohio State Swim Club
Held under the sanction of USA Swimming
Sanction # OH-18SC-37

Welcome

The Ohio State Swim Club and the Department of Recreational Sports is pleased to host the 2018 Thanks For Giving Fall Classic. This gives teams the chance to participate together in the battle against hunger. Through this meet we have a goal of collecting 6,000 items for the Mid-Ohio Food Bank. All athletes and spectators are encouraged to bring at least three non-perishable food items with them to the swim meet. A team competition will be held to see which team can donate the most food items (athlete and spectators combined). A plaque will be awarded to the team who has collected the most food items. Most needed food items may be found on the Mid-Ohio Foodbank webpage: http://www.midohiofoodbank.org/get_involved/food/.

The Mid-Ohio Foodbank reminds us that no one should go hungry, yet thousands of people go hungry in our community today. 525,000 hungry Ohioans turned to a Mid-Ohio Foodbank partner agency last year for food. Through a network of more than 650 partner agencies, they provided 59.5 million pounds of food for hungry people in our area, equating to more than 149,164 meals each day for hungry people in central and eastern Ohio. 50% of food requests Mid-Ohio Foodbank receives from food pantries are for children or senior citizens.

We want to teach our swimmers to be good citizens and to develop attitudes of caring and sharing. Pooling the resources of our families participating in this meet has enabled us to provide a meaningful contribution to the foodbank. Since 2010 the Thanks for Giving Fall Classic has contributed over 48,000 food items, equating to 59,517 total pounds of food (2010: 3,686 pounds; 2011: 3,772 pounds; 2012: 6,584 pounds; 2013: 6,127 pounds; 2014: 8,619 pounds; 2015: 10,393 pounds; 2016 9,313; 2017 11,033 pounds), and we aim to continue this tradition of giving. Please talk to your swimmers about hunger in the weeks leading up to participation in this event so that they may have meaningful participation. Information about hunger may be found at <http://www.midohiofoodbank.org/>.

The most current meet information, including notices of program changes, warm-up times, warm-up lane assignments, parking, and complete meet results and computer backups will be posted on the Ohio State Swim Club's Website at swimclub.osu.edu.

Eligibility

All swimmers must be registered athlete members of USA Swimming. No swimmer will be permitted to compete unless the **swimmer is a member** as provided in Article 302. USA Swimming registration will NOT be accepted at the meet.

A swimmer's age on Sunday, November 11 shall determine eligibility for each age group division.

Electronic submission of entries is required for both teams and unattached swimmers. See page 3 for details. Entries should be submitted by a coach or a club entry chair person. The meet director will not communicate with parents about entries or seed times. **All communication must go through each swimmer's coach or club entry chair person.**

Any swimmer entered in the meet must be certified by a USA Swimming member coach as being **proficient in performing a racing start** or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Swimmers with disabilities are welcome to enter this meet. At the time of the entry, the coach or person entering the swimmer must alert the Meet Director as to the seeding accommodations requested. It is appreciated, but not required, for rosters to be submitted using a Hy-tek or SD3 file. It is preferred that entries be emailed: include the swimmer's name, entry times, strokes/distances, days/sessions, and how the swimmer prefers to be seeded. More information is available under Adaptive Swimming on the Ohio Swimming website www.swimohio.com.

The Ohio State Swim Club reserves the right to enter any of its team members regardless of the time standard, entry limit, or entry deadline.

Swimmers must provide their own timer and lap counter for the 400 IM, 1650 and the 12 & Under 500 Free.

USA Swimming and Ohio Swimming 2018 rules and regulations will govern the meet.

It is understood and agreed that USA Swimming shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.

In compliance with USA Swimming Rules and Regulations, the use of audio or visual recording devices, including cell phones, is not permitted in changing areas, restrooms or locker rooms. Under no circumstances are cameras or any other recording device allowed in the area immediately behind the starting blocks at either end of the racing course while they are in use for racing starts during the competition and warm-up. Swimmers must provide their own timer and lap counter for the 400 IM, 1650 and the 12 & Under 500 Free.

Deck Entries

Deck entries for teams already entered into the meet will be accepted at the discretion of the Meet Director until 60 minutes prior to the start of each session. There will be no deck entries for swimmers whose team is not already entered in the meet. Deck entries must be requested by a coach and will only be accepted provided there is a lane available. No new heats will be created to accommodate deck entries. Proof of membership will be required for swimmers who were not previously entered in the meet.

If a coach is requesting to remove a swimmer from one event in order to enter them in an open lane of a different event, then the initial entry will be recorded as a scratch and a deck entry fee will be charged for the new entry.

Deck entries will be seeded as a NT (no time). Entry fee for deck entries is \$10.00 per individual event.

Entry Limitations

The Meet Director reserves the right to limit entries to a maximum of 700 swimmers, exclusive of Ohio State Swim Club swimmers, to ensure that the running time of the meet stays within the time limits required by Ohio Swimming and to accommodate other activities in the Aquatic Pavilion. Should the meet reach capacity in a particular session, we will attempt to fill the other session(s) which may mean that only a portion of entries for the team are accepted (i.e. a particular age group).

If an entry is received after the swimmer limit is reached, the entry may not be accepted. Entries complying with all submission requirements will be given priority in order in which their electronic entry was received.

A swimmer may enter no more than five (5) events. If an entry is submitted with an individual entered in more than five events per day, then that swimmer will be placed in his or her events in chronological order until he or she has reached the five event limit. There will be no refunds.

Entries

Entries produced using Hy-Tek Team Manager software or TeamUnify are required. Teams must electronically submit entries as well as the Entry Summary Sheet (attached) to the Entry Chair. An editable PDF version of the Entry Summary Sheet may be found on our website at www.swimclub.osu.edu.

Ohio State Swim Club reserves the right of sole discretion to determine which team entries are accepted. In exercising this discretion, Ohio State Swim Club may consider the number of officials provided by team, balance of age groups and gender in entries, level of competition, previous participation in the food drive, and geographic location. Please note in your entry any information that you feel is important for us to consider when reviewing entries.

Entries will be accepted beginning at noon on Tuesday, October 23, 2018 EST.

Entries received prior to this date and time will not be accepted.

Entries will only be accepted until the meet reaches capacity, or until October 29, whichever comes first.

Teams interested in entering this meet should be aware that this meet has traditionally filled very quickly (sometimes in the first 30 seconds to one minute) and it is recommended that your team has a backup meet planned in case your team cannot be accepted. This is especially important for teams who have not participated in this meet previously and for teams who have not participated in the past. Please note that previous participation does not guarantee your acceptance into the meet. Due to formatting changes to more appropriately comply with intent of the four-hour rule it is likely that fewer swimmers will be accepted into the meet this year.

Teams will be notified within 48 hours if their entries have been accepted. Teams will also be notified if their entries were not accepted due to space limitations and will be given the opportunity to be placed on the waiting list.

Payment of Entry Fees

Entry Fees

\$5.00 per individual event.

\$2.00 per swimmer Ohio Swimming Travel Fund surcharges.

Please do NOT pay before you have received confirmation that your entries have been accepted.

Payments must be received by the Entry Chair no later than Thursday, November 1, 2018. If payment is not received by this date, then the Ohio State Swim Club reserves the right to reject a team's entries and allow the next team on the waiting list to register. If a team has not paid its entry fees in full by the start of the meet, then no one from that team will be allowed to participate in the meet.

Payment of entry fees is non-refundable except to those swimmers who have not qualified for deck-seeded events or whose entries have been rejected or administratively scratched by the Meet Director. Return payments will be assessed an NSF fee.

Forms of Payment

Acceptable forms of payment include Credit Card or Paper Payment (Check and Money Order).

Payments by Credit Card (preferred method of payment)

Requests to pay by credit card should be made on the Entry Summary Sheet that was electronically submitted with your entries. After you have been notified that your entries have been accepted and you know the exact amount to pay, visit the following link to make payment: <http://www.recsports.osu.edu/forms/unify-payment/> Be sure to click "event" and type in your team's name and the event where indicated.

Please email mccorkle@osu.edu to notify our staff that you have made a payment and supply an updated Entry Summary Sheet if necessary.

Paper Payments (Check or Money Order)

Checks or money orders should be made payable to "The Ohio State University" and should be sent to:
Ohio State Swim Club
B106 RPAC, 337 Annie & John Glenn Ave.
Columbus, Ohio 43210

Paper payments must be accompanied by a surface-mailed packet that includes:

1. a check or money order covering all entry fees and surcharges
2. a printed listing of all individual entries for your team

Outreach Swimmers

Meet entry fees will be waived for swimmers designated as "Outreach" by Ohio Swimming as long as outreach swimmers' names are declared by their home team on the Entry Summary Sheet (page 8) at the time of entry. If declaration of outreach swimmers is not made with entries, fees may be waived only at the discretion of the meet director provided the Ohio State Swim Club has not submitted required post meet paperwork and fees to Ohio Swimming. Once post meet reports and fees have been submitted, no additional fee waivers will be provided.

Deck Access

Ohio Swimming rules and regulations require that all coaches and officials have their USA Swimming Coach Registration Card (or digital Deck Pass) on their person while on deck. Coaches and officials should be able to present their credentials at the request of meet personnel, and coaches and officials are asked to sign in at the table located in the front lobby of the facility before every session. Coaches and officials will not be permitted on deck without their USA Swimming Coach Registration Card or proof of valid coaching or officiating credentials (Deck Pass or Club Portal).

Deck-Seeded Events & Positive Check-in

The 13-14 & 15 & Over 500 Free, Open 400 IM and Open 1650 events will be deck-seeded and will be swum fastest to slowest. These deck-seeded events may be limited to the fastest 20 swimmers in each event.

The 9-10 & 11-12 200 Free, 200 IM and 500 Free will be deck-seeded and will be swum slowest to fastest. These deck-seeded events may be limited to the fastest 10 swimmers in each event.

If a swimmer positively checks-in for a deck-seeded event, it is expected that they swim in that event. Swimmers who fail to compete after positively checking-in will be assessed a \$25 penalty fee.

Positive check-in will be held preceding the start of each session, for that session.

Please visit the Ohio State Swim Club website on or after Wednesday, November 7 for positive check-in times.

Scratch Rule

Teams may submit scratch requests between the time they are notified of acceptance and the entry deadline, October 29, by emailing the Entry Chair at Mccorkle@osu.edu. All scratches will be confirmed by email by Tuesday, October 30. Scratches made during this window will be done as removals from the system and fees will not apply for affected entries. Any previous payments for such entries will be refunded by the meet host. There will be no refunds for scratch requests made after October 29.

Coaches may out of courtesy notify the Entry Chair of any scratches to ensure the best possible seeding of events and to reduce open lanes; however, no refunds will be given for such scratches after the October 29 entry deadline.

Refunds will be given for any scratches of an administrative nature initiated by the Entry Chair for the purpose of limiting entries.

Swimmers will not be penalized for failure to appear for an event unless they have positively checked-in for an event.

Warm-up Procedures

Ohio LSC Swimming Safety Guidelines and Warm-Up Procedures will be in effect at the meet. Swimmers must enter the water at the start end of the pool, feet-first, in a cautious manner, with one hand in contact with the pool edge, except in lanes that have been cleared and specifically declared one-way sprint lanes by the Meet Director. The Meet Director reserves the right to revise warm-up procedures to ensure the safety of the swimmers. Teams may be assigned to specific lanes for the warm-up sessions depending on the number of athletes per session. Warm-up information will be posted on the website by Wednesday, November 8.

Marshals will be present at all times to manage the warm-up and warm-down lanes. Warm-up procedures will be strictly enforced (see Ohio Safety guidelines).

Awards

The Ohio State Swim Thanks For Giving Championship Plaque will be awarded to the team scoring the greatest number of points in the meet (Unattached swimmers practicing with a team do not count toward this point total). A separate plaque will be awarded to the team (athletes and spectators combined) that donates the most food items for the food drive.

High Point Plaques will be awarded to the individuals scoring the greatest number of points in each age group (note that points scored in the two Open events do not count toward any other age group). Custom ribbons will be awarded to the 1st-8th place finishers in events through the 11-12 age group. No placement ribbons will be given for 13-14 and Open age groups.

Awards will be distributed to club representatives at the conclusion of Sunday's competition. Awards remaining at the end of the meet will not be forwarded by mail.
