2018 Tim Myers Memorial Short Course Senior Championships

Dear Swim Club Representative,

It is our pleasure to inform you that the Miami University Aquatic Club will host the 2018 Tim Myers Short Course Senior Championships at the Miami University Corwin M. Nixon Aquatic Center from November 16 thru November 18, 2018. Please read the meet information carefully. We have highlighted below some important issues:

- Ohio Swimming will be running a "D" Bonus final in all events 200 yards and below for 14-16-year-old swimmers who do not qualify for the Championship (A final), Consolation (B final) or Bonus (C Final) championship heats. 14-year-old athletes must be in high school and will participate in either the OHSAA or KYHSAA swimming series in the current academic year.
- Unless otherwise noted, all events will be prelim / final.
- This will be a Division by Team Meet. Divisions will be collegiate and non-collegiate. Athletes who competed in NCAA competition will be categorized under the collegiate division.
- We will be awarding medals to the Top 3 in each event (including relays). The Top 3 will be asked to immediately report to the awards stand following their race.
- Team Trophies will be awarded for women's, men's and combined high point. Individual awards for women and men high point for the top 15-16 year olds plus 17-18 year olds. A virtual team trophy is being created on the Ohio Swimming website for the team scoring the highest points.
- The Meet will be scored thru 20th place. This includes 2 places from the C Heat. If the event doesn't fill the heats, points will be awarded accordingly. Neither the "D" (14-16) Final nor the collegiate division will be eligible for scoring.
- **All Star Mixed Gender 200 Medley Relay** - Each team is allowed to enter their best 2 girls and 2 boys for an All Star relay. This will be swum as the first event in finals Friday night. All teams entered will be entered in finals. A perpetual plaque will be awarded to the fastest Ohio Swimming All-Star Medley Relay.
- **50 Butterfly / Backstroke / Breaststroke** - Please note swimmers are still only able to compete in 6 individual events for the meet. The philosophy of the Ohio Short Course Senior Championship is to promote excellence within the ranks of Ohio Swimming. The purpose is not only to provide a venue for those Senior swimmers aspiring to attain Sectional and National qualifying times, but also to give all Senior swimmers within Ohio the opportunity to participate in a high quality competitive meet. The Ohio Short Course Senior Championship is open to all swimmers who meet the following criteria:
 - High school athletes, 14 years old and older, who are in or beyond their freshman year and will compete in a high school swim meet during that academic year;
 - Collegiate or Masters athletes;
 - Disabled athletes who meet the eligibility criteria that are required of other meet participants.

We encourage all teams to support this meet. We want to continue making this an exciting event for all our senior athletes at all levels.

Sincerely,
Norm Wright
Senior Chair – Ohio Swimming

Meet Officials and Certification

The Miami University Aquatic Club will need the help of your USA Swimming Officials. Please contact Lins Alt at linsalt@hotmail.com to provide names of your officials who wish to volunteer.

All USA Swimming certified officials willing to volunteer should fill out and submit the Application to Officiate. Link to the online application can be found on the Meet Events page on the Ohio Swimming Website and the Meet Host website.

In addition, this meet will be an Officials Qualifying meet for certification at the N2 and N3 initial levels and for N2 and N3 re-certifications (QM). Officials wishing to be evaluated should indicate that in the online Application to Officiate. Link to the application is available on the Ohio Swimming and Meet Host website.

Note: To be evaluated for certification or re-certification at any level, an official must work at least 4 sessions at the meet, even if the evaluation requirement is for only 2 or 3 sessions in a specific position.

Special notice to those interested in obtaining National Certification as a Chief Judge, Starter, or Referee: First priority for assigned positions will be given to those seeking certification, as well as, a commitment to working all sessions of the meet. This better serves the athletes and provides a consistent training experience. Preference will also be given to those seeking either an N2 or N3 Evaluation. If the evaluation is for "Recertification", then one must work the minimum number of sessions in each position in which he/she is recertifying. For specific requirements, refer to the [USA Swimming](#) website>Member Resources>Testing and Certification>National Certification.

Official's uniform will be white over navy for all sessions. Shorts are permitted for Preliminaries. Long pants (men or women) or modest length skirts (women) will be worn for finals. White covered toe athletic or deck shoes for all sessions.
