by November 25. Thanks in advance for your help! We will contact those individuals directly. The officials briefing will be held 45 minutes prior to the start of the meet in the Athletic Conference Room located just down the hall from the pool.

MEET DESIGN: Please note that we are using open & age group events. This meet format design allows us to offer a wide variety of events and allows participants to choose events from several different distances while still keeping the meet to a manageable size. Swimmers and coaches must understand that, because of the structure of this session, the 15-minute rule will not be in effect.

RULES: USA Swimming rules will govern the meet. No swimmer will be permitted to compete unless the swimmer is a member of USA Swimming as provided in Article 302. USA Swimming Registration will not be accepted at the meet. All coaches will be required to sign in prior to each session and present proof of current USA Swimming Coaching Membership to a meet director. No parent or spectator will be allowed on deck except to perform a service or function

at the request of the meet management. Wheelchair/handicap access is available. Contact the meet management concerning this issue.

Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

It is understood and agreed that USA Swimming shall be free from any liabilities or claims for damages arising by reason of injuries to anyone during the conduct of the event.

Unless approved in writing in advance of the competition by the Vice President of Program Operations, operation of a drone, or any other flying apparatus, is prohibited over the venue (pools, athlete/coach areas, spectator areas and open ceiling locker rooms) any time athletes, coaches, officials and/or spectators are present.

DECK CHANGING: Deck changes are prohibited.

RECORDING DEVICES: In compliance with USA Swimming Rules and Regulations, the use of audio or visual recording devices, including a cell phone, is not permitted in changing areas, rest rooms or locker rooms. Under no circumstances are cameras or any other recording device allowed in the area immediately behind the starting blocks at either end of the racing course while they are in use for race starts during the competition and warm-up. Please refer to the Safe Sport section of the Ohio Swimming, Inc. policies and procedures for further information regarding the use of visual recording devices.

MEET PROCEDURE: All events will be pre-seeded with the first heat of each event comprised of the SLOWEST times entered and the last heat comprised of the FASTEST times entered. In some instances, the 15-minute rule will not be in effect, so please use your judgment when entering swimmers in back-to-back events.

DISABILITY SWIMMERS: Swimmers with a disability are welcomed to enter Ohio Swimming Meets. Coaches, entry procedures are the same as for all other swimmers. Please provide advance notice of any necessary accommodations needed by the swimmer. List with your entry the swimmer's name, entry times, strokes/distances, days/sessions, and how the swimmer prefers to be seeded. Swimmers with a disability will be seeded with the same age group in either the same distance race or a longer distance race (i.e. 50 free during the 100 free event). Exceptions to this should be listed in "necessary accommodations". Qualifying time standards at regular season meets are waived for swimmers with a disability. More information is available under Athletes>Adapted Swimming on the Ohio Swimming web site (www.swimohio.org).

BULLPEN: There will be a bullpen located on deck towards the South side of the pool.
