Jacksonville, FL

# 2024 Champs Philanthropy - Shawn Delifus Foundation

## What

This year we get another opportunity to serve the **Shawn Delifus Foundation**. This foundation provides swim lessons for children who cannot afford them. The Foundation has been able to help more than 1,300 children learn how to swim in Jacksonville, primarily through small dollar donations.

We have the opportunity to fund **130** open spots this August for a 7-week swim lesson program. To do this, we as a league need to raise **\$9,100**.

## When

We have until **Champs meet** (July 12-13) to do this. Cash donations and/or goggle donations will be accepted in person at Champs

## Why

Shawn Delifus Foundation provides swim lessons to children living in poverty in inner city Jacksonville who otherwise couldn't afford to learn to swim. The mother of Shawn, Joyce Delifus recently attended the funeral of a 7 year old little girl who drowned at a pool party (article below) because she couldn't swim. Joyce saw all the other little 6 and 7 year olds sitting around the casket and she asked them to raise their hand if they knew how to swim. Not a hand went up. Joyce proceeded to sign these kids up for swim lessons.

We can make a difference in this world and this is one way to do it. Let's be the hands and feet of Jesus and fully fund the August swim lessons.

Please reach out to me directly (contact information below) for support with your links or any ideas you may have for improvements. Thanks so much, League!!!!

[7 Year Old Drowning News Article](#)

## Facts

- Drowning is the leading cause of death among children ages 1 to 5 years old.
- Florida had the highest unintentional drowning death rate of 3.19 per 100,000 population among children 0 to 9 years of age

## How

Below are links to an app called Cheddarup for each swim team. Simply open your mobile camera, scan your team's QR code, and donate to the cause!
