Welcome to the Heritage Landing Hammerheads pool! Your warm-up time will be 7:25-7:50am and the meet will start at 8:00am.

### **Parking**

Parking within the amenity center parking lot is limited. We utilize overflow parking lots that are a short walk to the pool. You are free to drop off tents, chairs & family members at the amenity center, then turn left back onto Heritage Landing Parkway to the overflow lots on each side of the street near the power lines (*see Parking map below*).

Volunteers will be on hand to direct traffic. Please follow their instruction. There is NO PARKING on Heritage Landing Parkway or in any grassy areas, aside from the designated overflow parking lots. NEVER park in front of a driveway or near an intersection. Violators may be ticketed by SJCS.

### **Tent City**

We have areas for tent city set up near the pool area. For the safety of all, our gates cannot be left open unless supervised by a volunteer – which we will provide. NEVER jump over or prop open a gate.

### **Spectator Areas**

Spectators are allowed on the pool deck while their swimmers are competing. NO photography is ever permitted behind the diving blocks.

### **Volunteers**

We will provide a table for visiting team volunteers to check in. Please advise volunteers to listen for announcements regarding meetings and shift change.

### Ready Bench

Our Ready Bench is located under a pavilion to the north of the pool deck. Please mark your swimmers with their names & events for easy reference.

### Food & Drink

We will have food trucks on site as well as vending machines and water refill stations.

### Restrooms

There are 2 sets of restrooms within the amenity center area, with one being designated for our visiting teams.

### Off Limits Areas

The recreational pool, splash pad, water slide, and playground are only available to residents not participating in the swim meet. No swimmers are allowed in the sand volleyball court area. Please keep your swimmers out of these areas.

Please let us know if you have any questions! We are looking forward to a great meet!

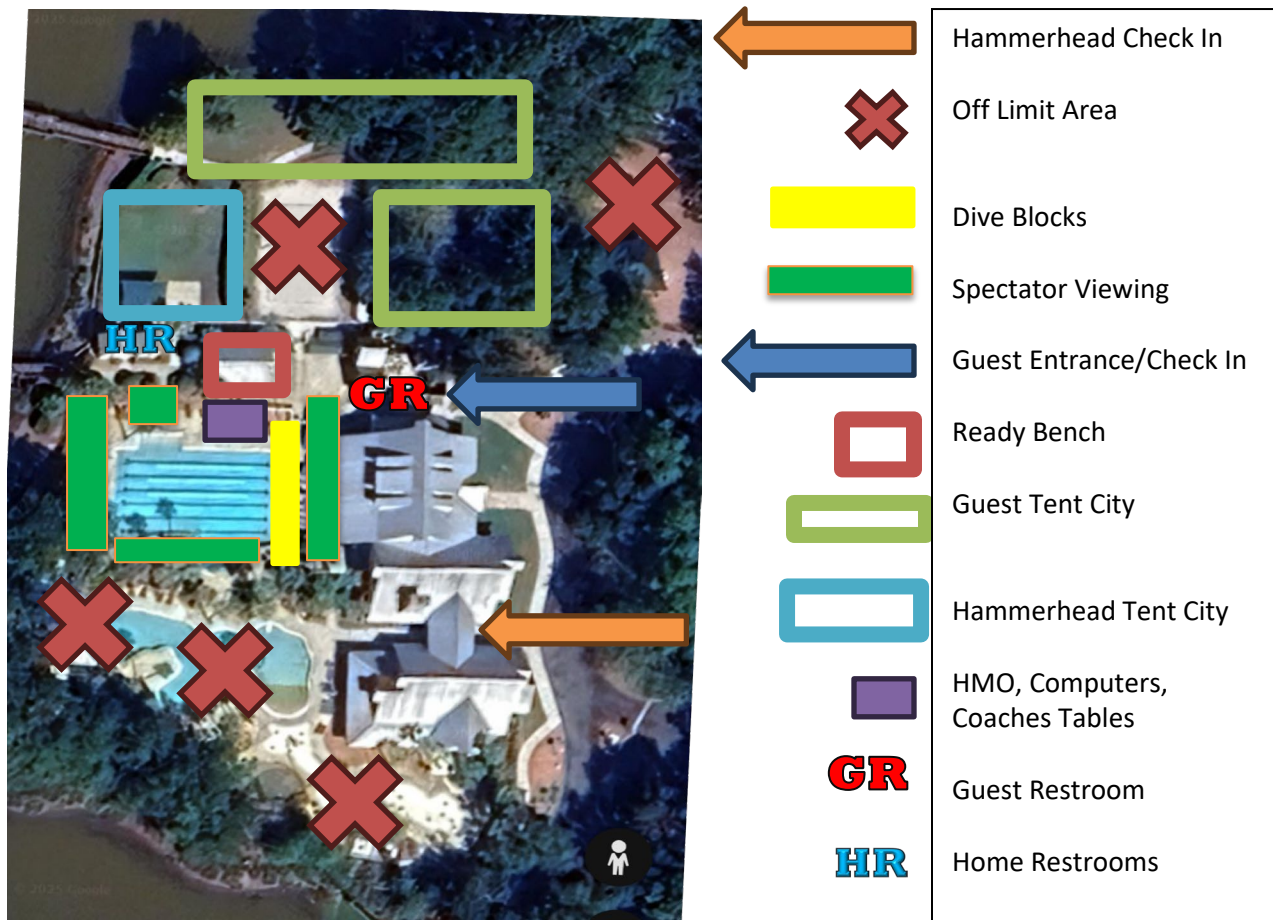

Thank you,
