

Bartram Springs Barracudas

Welcome!

The Barracudas are excited to host your team and families for a fun meet day in Bartram Springs. To help navigate our community and facility, we have prepared this welcome letter.

Meet Location and Parking

[14530 E Cherry Lake Dr, Jacksonville, FL 32258](#)

Our meet will be hosted at the Bartram Springs Amenity Center. Google Maps and other mapping tools may also label this location as Bartram Springs CDD.

Parking

Limited parking is available at the Bartram Springs Amenity Center, and you may only park in marked spaces. Alternative parking is available at the following locations:

- Side streets in our community (*do not park on Cherry Lake Drive, as noted below*).
- Bartram Springs Elementary School
- Carpooling is always encouraged.

Tent City Drop Off

Guests using our area designated as Tent City may drop off near this location. This space is to the north-east of the competition pool / north of the tennis courts. Drop off can done from Cherry Lake Drive before you park. Please be mindful to have swimmers and volunteers check-in as outlined further down in this letter.

Parking Restrictions and Best Practices

We ask that both home and visiting families observe the following restrictions:

- **Parking is NOT permitted on Bartram Springs Parkway and Cherry Lake Drive.** CDD rules prohibit parking along these streets and blocking bicycle lanes.
- **Parking is NOT permitted on grass or sidewalks.** We want to avoid damage to resident and CDD property and irrigation.
- **Parking is NOT permitted in front of resident driveways or mailboxes.** Our community is supportive of our league and team, and we do our best to not inconvenience them on meet days.
- Please park in the direction of traffic for the side of street you are located.
- Please be mindful to not limit access to side streets. Some streets are narrow, and parking on both sides of the street should be avoided.
- Restricted parking is highlighted in red in the map above.
