Entry Limits: Each competitor is limited to compete in a maximum of three individual events.
Each team is permitted unlimited individual entries in each event.
Each team may enter up to two relays per relay event.
Please enter each individual and each relay with their best time from this season.

Relays: Each team may enter up to two relays per relay event.
Each team may not have more than 8 names per relay.

Please enter each relay with a time. We will seed relays based on entry times, not by assigned lanes.
Swimmers in younger age groups can swim up on relays, as long as they do not compete in the same relay at a different age group.

Timing: Electronic timing system will be used.
Touchpads and back-up button for all events longer than 25.
Watch times will be used for all 25 events.

Seating: No permanent seating in the bleachers.
Only parents of swimmers competing in the current event will be allowed in the pool area at a time.

Only officials, coaches and timers will be able allowed to stay on the pool deck.
Athletes will need to leave the pool area after they compete.

Heating: A heating area will be set up inside of the pool area – next to the diving well.
Swimmers should report to the heating area when the event prior is in the pool.

Volunteers: Because of the electronic timing system, we will only need 1 timer per lane for all age groups that do not swim 25s.
We will need 2 times for each lane during the 25 events.

Masks: We will follow current CDPH guideline for mask wearing:

Fully vaccinated people can go without masks in public indoor spaces unless the setting requires otherwise.

Unvaccinated people are encouraged to continue wearing masks in all public indoor spaces.

People who are not required by the order to wear a mask, even if unvaccinated, include:

- People who are 11 years old and younger.
- People who cannot medically tolerate a face covering.
- Children younger than 2 years old should NOT wear masks.
