

Hello! We are the Mazomanie Barracudas swim team. We are a non-profit, 501c3 club and had 85 swimmers for the 2025 summer ages 5 – 18 serving the communities of the Wisconsin Heights School District since 1970. Swim team is a summer recreational activity offered to area youth that teaches the basic skills of competitive swimming with the goal of nurturing a lifelong enjoyment of swimming. Many of our swimmers have started at an early age with summer club teams and continue to swim at the high school & college level.

To run a successful season, the club leans a lot on the parents to offer their personal time with fulfilling job duties on meet days as well as monetary through fundraising and donations. We are very grateful for all of our wonderful parents, however, with having the smallest team in our conference, it puts a lot of strain on our families. Sponsors like you make the dedication and efforts put in by both our parents and swimmers go even farther.

Benefits of Sponsorship:

Saturday morning swim meets bring competitors, families & spectators to the area from many of our surrounding communities. Your business name & logo will be seen by many potential future and existing customers that reaches multiple communities such as Wisconsin Dells, Baraboo, Prairie du Sac, Sauk City, Spring Green, Sun Prairie, and Mt. Horeb. The ads in our meet programs can include your name, logo & any incentives like coupons or free gift with purchase to encourage patronage to your business. Any monetary donations made to our organization can also be considered tax deductible. Please see the attached page for our sponsorship options and pick the best one that would fit your budget.

If you have supported the Mazomanie Barracudas in the past, we greatly appreciate the support! We hope that we can count on your continued support for 2026!
