

Braun Station Swim-A-Thon Pledge Form

Swim-A-Thon Date: Wed, June 10, 2026 during practice
Pledges Payments Due: June 18, 2026

The Braun Station Barracuda Swim Team is holding a Swim-A-Thon! This fundraiser lets our athletes test their limits and have fun while raising money to update the team's equipment and help pay bonuses to our high school coaches.

We encourage each swimmer to raise at least \$20. Donations can be made on a per lap basis or as a flat amount. Typically, swimmers complete the following number of laps during the Swim-A-Thon.

- 6 and Younger : 10 laps
- 7-10 Year Olds : 25 laps
- 11 and Older: 40+ laps with substantial increases for year-round/club swimmers

Coaches will be on deck to count laps and keep the swimmers motivated. After the Swim-A-Thon, they'll let the swimmers know their final lap totals so they can share that with their supporters.

Pledge payments are due by the date indicated above. We accept cash, checks (made out to the Braun Station Barracuda Swim Team), and credit cards. When writing a check, please put the name(s) of the swimmer(s) being supported in the memo line. These pledge payments can be hand-delivered by the swimmers to their adult coaches.

Credit card payments can be made using the QR code below. You will need to enter the amount you wish to donate and don't forget to add your swimmer(s) name in the notes so they get their credit.

Scan this QR code to make payments via credit cards.
