

The Green Trails Swim Team (**GTST**), a registered 501(c)(3) non-profit organization, is a competitive, summer swim team for kids ages 5 to 18. Our Home pool is located in the heart of the Green Trails subdivision, where most of our families live, although some of our neighboring communities join our team as well.

Our goal is to provide a positive, fun swim experience while teaching good sportsmanship through competition. Each year, we average approximately 155—170 swimmers. We strive to provide a high quality experience while keeping cost as low as possible since we are a Non-Profit Youth organization. Our organization is run by mostly UNPAID volunteers, however, we still need to pay for coaches, lifeguards, pool equipment, timers, shade tents for athletes, office supplies, and many, many other critical items.

Sponsorships are vital to helping us achieve our goals. Every dollar donated is invested directly into our team. We are also grateful for all donations, and try to give as much recognition as possible to our sponsors. Sponsorship is a GREAT way to advertise your business within your local community. We have varying sponsor levels with each providing its own level of exposure for your business, and, of course, your donation is also **Tax Deductible!** We see our team shirts being worn by children and parents all the time and YOUR BUSINESS logo could be on that shirt! Please consider donating to our wonderful cause.
