

The Lakemont Seals Swim Team is a member of the WHALe League. This is our 7th year in the community and we look forward to providing a fun and competitive swim team for area residents. To keep the registration fees low for the families we ask local businesses to sponsor our team in exchange for advertising. Without your help the Lakemont Seals Swim Team would not have the necessary funds to continue to provide this worthwhile community activity to the children of our neighborhood. ***Thank you in advance for making a difference in our community!***
