

**Westwood Waves All-Star Invitational
Austin Hills Swim League
Monday, June 21, 2021
Hosted by: Westwood Country Club
Austin, Texas**

This meet is an All Star Invitational meet for swimmers participating on teams in the Austin Hills Swim League. The qualifying times are attached.

Facilities

Westwood's swimming pool is located in central Austin at 3808 35th Street across from the Austin Museum of Art. The meet will be conducted in a six lane, 25-meter outdoor swimming pool using an automated Colorado Time System with a display board. Three timers per lane will be used to time. Food and beverages will be available at the Lakeview Café.

Eligibility

AHSL 2021 eligibility rules apply. Swimmers must compete in age groups based on their age on **May 1, 2021**. Swimmers must be attached to a team from the Austin Hills Swim League for the 2021 swim season and must swim qualifying times in official 2021 AHSL dual or medal meets (times from Intrasquad meets or time trials will **NOT** be accepted).

Entry Limitations

AHSL entry limitations for meets applies: Swimmers age 10 and under may enter up to three events; 11& up swimmers may enter five events. Each swimmer may enter two relays (one free relay and one medley relay). No NT's will be accepted.

Bonus Event

For the 2021 All Star Meet, all swimmers must have qualifying times from an official 2021 AHSL dual or medal meets in any individual event to enter that event. There are no bonus events allowed.

Relays

Each team may enter one "A" free relay and one "A" medley relay per gender in each age group. Relays must have entry times. Relay team entry times may be determined by the sum of the individual team members' times for like strokes/distances, or the actual time that relay team achieved in a previous meet from the 2021 season. **Relay participants may come to this meet WITHOUT being qualified in individual events.** Relays will be seeded by time, slowest to fastest, versus assigning lanes to teams. Swimmers may swim in a max of two relays per meet (one free relay and one medley relay). **On any relay team, there must be at least one swimmer from that age group on the relay. Younger swimmers may swim up in older age groups for relays; however, that counts toward their number of allowed relay swims and those swimmers may only swim a max of two relays per meet (one free relay and one medley relay)**
