

Barton Creek West-vs-Westwood Waves
Friday, June 10th, 4:30pm start
WWCC warm up 3:30pm, BCW warm up 4:00pm

We are very excited to host Barton Creek West this Friday. Please read the following information and communicate to your parents to help with logistics the day of the meet. Please note our volunteer requests.

SET UP LOCATION

The visiting team will set up on the “grassy” hill by the Cafe patio. Your team will be set up closer to Lake Austin on the lower/back section of the property. Westwood will be located on the sport court and under the trees near the parking lot/entrance. Please encourage your kids and parents to pick up after themselves during and after the meet.

FOOD/BEVERAGE

- Payment options: Credit Card and Cash accepted at the Lake View Cafe
- Dinner options will be available for purchase
- Drinks: Self-serve drink stations for water are available outside the Cafe and the far side near the baby pool. Alcoholic and non-alcoholic beverages will be available for purchase in the Lake View Cafe. Westwood Hospitality Volunteers will also be delivering water to volunteers that are working.

PARKING

This year parking is limited and restricted to Westwood families only. This means your team will need to park on 35th Street. Please abide by any posted restrictions. Laguna Gloria and Mayfield Park are not available for our use and towing is enforced. We are also unable to park on Mount Bonnell. They will tow and ticket from there too. We will have a golf cart to assist people back and forth to the property. Thank you for your understanding.

RESTRICTED AREAS

- Ready bench is for swimmers only. Please keep extra parents and swimmers out of this area. The pool deck is the best place to cheer for their swimmers.
- Timer tent and finish line are very crowded areas and should be limited to swimmers only. Parents should walk the perimeter of the pool to get around.
- Computer tent should have limited parent traffic. If there are questions related to times, results, or DQs, please ask parents to communicate with your President first. Each Team President should resolve those issues.
- Roped off area must be kept clear for the starter.
