VDN SWIM TEAM INFORMATION

www.vdnbarracudas.swimtopia.com

The Vista Del Norte Barracuda Swim Team is a neighborhood organization with a tradition of excellence in the San Antonio Lone Star Summer Swim League. Our league is dedicated to providing swimmers, ages 5 through 18, the opportunity to have fun in the water while improving their stroke techniques, achieving personal goals, learning sportsmanship, and competing in a fair, safe and supportive environment. Swimming gives our children the opportunity to have fun while developing self-confidence, physical conditioning, and self-discipline in a team environment. The swim team provides a place for our children to have fun with their friends while being physically active. The Barracudas focus on stroke development through daily practices and utilize the techniques taught to compete in weekly swim meets. The swimmers learn teamwork and personal goal setting in a fun and structured environment
