4:00-4:30 warm up – BCCC, LCCC, RPCC

WE ARE VERY EXCITED TO HOST THIS ALL STAR CONTEST. A FEW FACTS
TO HELP YOUR MEET PLANNING

- This will be very fun but large. The good news is that our swimmers are rising to the challenge and getting great results! The “other” news is that the meet will likely last until 8:30 or little later, so please plan accordingly. It will be very hot, so please bring shade structures and LOTS of water and sports drinks.
- We will have the teams distributed around the grounds on the south and west side of the pool. Please look for your team’s sign and set up in the designated area.
- Food and drinks will be available in the pool-side Lake View Café. The café accepts cash and is able to offer reciprocal charging privileges to the other country clubs. Please note that ***the café is not able to take credit or debit cards*** and there are no ATMs convenient to the club, so please plan accordingly. Thank you!
- Parking – our parking lot is very small and only limited parking is available. So most parking will be along 35th Street. Because this is a large meet, you should leave an extra couple of minutes to park and get to the pool. We will also send a golf cart out to help move people back and forth. PLEASE ONLY PARK LEGALLY (e.g., not in fire lanes, too close to stop signs, etc.). ALSO, PLEASE CONSIDER CARPOOLING!
- We like to keep extra parents and swimmers out of the ready bench area... please cheer for your swimmers from elsewhere on the deck! In addition, no parents are allowed by the computer.
- Volunteer assignments – we have informed every team representative of their volunteer assignments, and we need everyone to help out. Please come prepared to work! Even if you are not assigned a job by your team, every parent should be prepared to help when asked. Again, thank you!
- Please remember that this is a fun event to conclude a great rec swim season! Let’s all work together to keep the mood fun and light-hearted. If you have any concerns about the meet, please take them to your parent representative or coach, and they will work with the Meet Director to solve the problem. Please DO NOT attempt to address problems directly with other parents or volunteers.

Should you need anything, please contact your team reps, and also please feel to contact Meet Director Jeff Layne at 905-2898 or rjefflayne@gmail.com.
