About the event

- This event was started in the 1970's and is held in July each year. It has been hosted at the Kingston Chase pool for the past eleven years. It will be there again on **July 8-9 in 2019** with your help.

- The event begins Monday with the  led by true Olympians, This past year they were:

- **Josh Davis** In 1996 Josh Davis made history by becoming the only man in any sport from any nation at the Atlanta Olympic Games to win 3 gold medals. With a passion for representing our country, Josh returned to the Olympics in Sydney in 2000 where he was elected Captain of the USA Men's swim Team. He went on to break the American record three times in his event the 200 meter free-style and won two silver medals at the 2000 Sydney Games. After 2 Olympics and 5 medals, Josh has established himself as ambassador for the sport of swimming and is pioneering the road for the next generation of professional swimmers.
- **Elizabeth Beisel** is an American competition swimmer who specializes in backstroke and individual medley events. Beisel placed second in the 400m individual medley at the 2016 US Olympic Swimming Trials. She has won a total of nine medals in major international competition, four gold, one silver, and four bronze spanning the Olympics, World Aquatics, and the Pan Pacific championships. Beisel competed in the 200-meter backstroke and 400-meter individual medley events at the 2008 Summer Olympics, placing fifth and fourth, respectively, in the world. She won the silver medal in the 400-meter individual medley and bronze in the 200-meter backstroke at the 2012 Summer Olympics.
- The second day of the event is when the swimmers of the area compete against each other. The awards are handed out by Josh Davis and swimmers can get pictures with an Olympian as well as autographs!

Sponsorships will allow us to keep Josh and the guest Olympian around to hand out medals and provide reduced cost for families as well as to provide some scholarships to swimmers who may not otherwise be able to participate. It is such a joy to see these kids say they swam against an Olympian...it can change their lives forever by providing them focus and healthy goals.

I do hope you can help support this worthwhile cause!
