

Dear NWAL friends,

As you know by now the 2019 Pentathlon has been moved to Cy-Fair Natatorium.

### **WHAT WE WANT YOU TO KNOW**

After Klein HS let us know that they could not accommodate our need to for electronically timed 25's, we moved to Klein Cain HS. One week ago, after initiating the application we were informed that their console operator was unavailable and we would not be able to have use of their timing system. It has been a crazy few weeks, but we are happy to be at Cy-Fair. We apologize for the short notice, but as we only signed our contract Friday, we could not post sooner.

### **WHAT YOU NEED TO KNOW**

**We have planned to utilize BOTH pools for the I.M.'s**, This should shorten each session considerably! If you are an NWAL official please bring your white shirts/Blue shorts to help when we need extra officials for the I.M.'s. **We can ONLY use both pools if we have enough officials.** Cy-Fair has outside set up, however there is a large bleacher area, indoors, that has plenty of spectator seating for all parents. **There is absolutely NO setup in the bleacher area...this includes coolers, blankets etc.....and ABSOLUTELY NO wet swimmers are allowed!** **Please be courteous and move to diving pool bleacher when your child is finished, and the next event is in the water.**

**As always...Thank you for your participation and support of the Pentathlon.**
