In finals, swimmers are considered scratched or "no show" when they fail to appear at the Ready Bench prior to the finalists being paraded from the Ready Bench to the pool deck.

PONDEROSA INVITATIONAL

Championship Meet since 1971

P.I. RULES and APPROVED NWAL VARIANCES (continued)

PONDEROSA FINALS PROTOCOL

- In both preliminary and final heats, a system will be used to call swimmers to the Ready Bench for each of their events. The system will be clearly audible or visible in the designated swimmer and parent set-up areas.
- The Ready Bench will place finalists in their seeded positions without alternates. Finalists whose absence has been communicated to and approved by the Meet Ref for valid emergency reasons and in advance of being called to the Ready Bench are considered to have scratched, alternates will move into the consolation final.
- If the finals are filled with qualifying finalists, the alternates will be released and at the appropriate time the finalists will be paraded to the blocks.
- If after placing finalists in their seeded positions there are open lanes in either final:
 1. The Meet Referee or delegate will call the missing finalist(s) by name and instruct the missing finalist(s) to immediately present themselves.
 2. If the missing finalist(s) presents himself or herself before the finalists are paraded to the blocks from the designated ready bench area, the finals will proceed with the qualifying finalists.
 3. If the finalist(s) does not appear prior to the finalists being paraded to the blocks from the designated ready bench area, the Meet Ref or his delegate will fill the finals without reseeding. The fastest swimmer(s) in the consolation final will be inserted into open lanes in the Championship Final. Alternates will be inserted into empty lanes in the Consolation Final.
 4. Missing finalists will be disqualified from all remaining events. The Meet Referee in consultation with the Meet Director may waive this disqualification for rare extraordinary circumstances.

Electronic Timing

- The Colorado Gen 7 Timing System with semi-automatic back up buttons and touch pads will be used in conjunction with an 8 lane time display.

Timers and Order of Finish

- The timing devices used during the meet will determine the order of finish of any heat. In the event of a lane or heat malfunction, the Automatic Timing – Malfunction-guide posted on the NWAL website will be used to determine official time and resulting order of finish. Time adjustments (delta calculations) presented as optional in the guide will be used. The Meet Referee may use observed order of finish to validate time adjustments and resulting order of finish.

Scoring

- Ponderosa Invitational Scoring: Individual Events: 16 places score: 19-17-16-15-14-13-12-11-9-7-6-5-4-3-2-1
- Relay Events: 16 places score: 38-34-32-30-28-26-24-22-18-14-12-10-8-6-4-2
- There will be consolation finals and championship finals in all events except relays. Relays will be timed finals as they are swum.
- For individual preliminary events, all ties for placement in finals (including alternates) will require a swim-off unless swimmers, coaches and referee otherwise determine place. Swim-off will be scheduled within a reasonable time.
- Swimmers qualifying and swimming in the consolation finals, swim only to score the points awarded for places ninth through sixteenth. They cannot score championship finals points, regardless of their times.
- Team Scores for Saturday's events will be posted at the conclusion of Saturday's finals and on Sunday morning. We may also post the results of each session on the P.I. website.
- Questions concerning Saturday's point totals must be raised to the Meet Director by 8:30 a.m. on Sunday. After the last event on Sunday, final scores will be announced during the presentation of awards. Any questions concerning these totals must be addressed to the Meet Director immediately.
