	<ul style="list-style-type: none"> <li>No events will swim with more than one swimmer per lane.</li> </ul>
<b>SCRATCHES</b>	<ul style="list-style-type: none"> <li>This meet will utilize a modified version of the USA Swimming National Championships scratch rule. All events, including relays are “scratch-only”; no positive check-in will be utilized. Scratches may be submitted via email to mobrien8146@gmail.com or made on deck with the Administrative Referee at the meet.</li> <li>For any preliminaries any timed finals events, after the heats have been seeded, any swimmer who fails to compete in an individual event in which such swimmer entered and has not been scratched in will be barred from all further individual and relay events of that day. The application of this penalty should pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day’s events. The Meet Referee has the discretion to waive the penalty in the case of illness, injury, and/or other circumstances beyond the control of the swimmer.</li> <li>Scratches from finals will be conducted in accordance with articles 207.11.6D and 207.11.6E in the USA Swimming rules, with the only deviation concerning the penalties for failure to compete: Failure to compete in the finals round of a prelim/finals event, without properly scratching, will result in the swimmer being barred from all further competition for the remainder of the Meet, including relays. In the event that the swimmer has no further competition from which to be penalized, a \$100 fine will apply. Scratches from finals must be made with the Administrative Referee; email scratches from finals will not be accepted. A swimmer not originally announced or posted as qualifying for finals, who is seeded in a final due to the scratch of another swimmer, will not be penalized for failing to swim in that final; however, Page   11 swimmers finishing within the top forty (40) are asked to scratch from finals if they do not intend to swim, so that the Administrative Referee will be able to properly seed the meet for finals.</li> </ul>
