

Raco Theodore Pool Facility Information -2025

1. Parking

- There is parking on the field next to the facility which will open at approximately 7:00 am. There is an overflow parking area near the field. Please, obey all Parking Attendants directions.
- Please DO NOT arrive early as this will only create traffic problems.
- Parking on the street must be avoided. Cars parked on the street and/or blocking residential access will be towed at owner's expense. On street cars will most likely be ticketed.
- DO NOT PARK in front of playground. These spots are designated for city residents utilizing the playground during the meet.
- Paved parking lot spots near the bath house are designated for meet staff and handicap access. Coaches, Officials, Swimmers and Spectators are asked to park in the field.

2. Team Tent Set-up

- Tents will be permitted in designated areas and at the bottom of the hill in unused Softball field located behind the start end of the pool. Tents not in the correct areas will be asked to relocate.
- MST and ESC and the City of Manchester are not responsible for any damage or theft of tents or equipment left overnight. We strongly recommend that tents be taken down at the end of each day. As we all know weather is unpredictable this time of year and high winds and heavy downpours destroy equipment and tents.
- Please be mindful of your tent area with trash pickup at the end of each day. Trash bags will be handed out to each tent each day. Please put trash bags in one of the Garbage Totes near the concession area. If you need additional bags, please stop by Concessions and we will provide you with more.

3. Spectators

- Spectators have a designated area set along the length of the pool on the field side of the pool. All coaches need to be along the street of the side of the pool so the spectator side (Field side) is not obstructed.
- Trying to view the meet from the street side of the pool will end up having obstructed viewing.
- Spectators will not be permitted to view the meet from the Playground equipment. This playground is ONLY OPEN TO LOCAL RESIDENTS throughout the meet.
- **As per USA Safe Sport Policy; There is to be no picture taking or video recording from behind the starting area.**
- NO SPECTATORS WILL BE ALLOWED ON DECK AT ANY TIME. Access to the bathrooms will be from the front of the building, not via the pool deck.

Changing areas in the bathroom are to be used by swimmer only

- 4. Food Concessions/Heat Sheets: There will be a concession set up for most of the meet which will be cash only.
