Agenda item: Sanctioning of Trinity on 6/22 & 6/23 **Presenter:** Matt Waindel

Discussion:

-3 groupings requested Silver/Gold/Platinum- Platinum times include Ponderosa cuts , this has never been aloud

-½ of NWAL teams have their divisional meet on that weekend therefore can not participate at Trinity which gives the swimmers of the teams that do not have divisional meets that weekend an unfair advantage over the other ½ of the league. Directly goes against NWAL mission statement on pg 5 of rule book.

-Matt reviewed emails from Keith at Trinity to NWAL and NWAL's reply

Conclusions:

Red 4 Motioned to keep Trinity on 6/22 & 6/23 W1 and R2 seconded the motion. Vote verbally taken with yes votes from R1, R3, R4, B2, B3, B4, W1, W2, W3, FN Motion approved 12 to 8

Red 4 Motion to change times to not conflict with PI qualifying times R1 2nds the motion. Vote was unanimous to approve the motion to not allow qualifying times to conflict with PI qualifying times.
