

Summer Champs Meet Information

Sunday, June 2, 2019

Location: Kingwood High School, 2701 Kingwood Drive, Kingwood, TX 77339

Kingwood High School is no longer an ideal location to host large meets after the Harvey renovations were completed. We know this. However, Kingwood Park was not available this year so we have to make some minor changes due to the limited deck space and seating. Our Blue Tide swimmers all started in Summer League and we fully appreciate how fun and important this meet is to its participants. With the following guidelines and your help informing your NWAL team families, we believe that we can make this a positive experience for everyone involved.

Parking is available in the KHS parking lot. No parking is allowed on the grass or sidewalk areas. All drivers must observe the "passing lanes", length-wise and width-wise in the parking lot, to allow through-traffic. Drivers may park only in designated, numbered spots.

- Set up is indoors in the Commons Area or outdoors near the Natatorium.
- There will be no set up inside the Natatorium.
- To maximize space, NO CHAIRS are allowed on deck, including the coaching area.
- Coaches are allowed a maximum of two (2) coaches on deck per team at a given time.
- We will have volunteers and older BTA swimmers working the Ready Bench. We request that each team provide (1) coach to assist with any 8U events.
- Parents are not permitted to approach the Ready Bench area. Please trust the experience of our volunteers and athletes to get the swimmers to their events.
- Parent viewing areas will be designated. Parents may not approach the starting blocks or go past any areas restricted to swimmers/coaches/officials.
- There will be a concessions area open for both sessions.
- There will be meet merchandise available for purchase in the Commons area.
- There will be a coach/official/meet personnel Hospitality Area off the deck area. (No swimmers or otherwise wet humans will be permitted entry to this area)
