

Lil' Gators Feeder Program

- Village Green Swim Team has a Lil' Gators Feeder Program for potty trained children ages 3-4!
- This program is for families who hope to have their young ones join the swim team in the future and want them to have lessons from the VG coaches now.
- Our experienced coaching staff will provide the fundamentals of learning to swim in a fun and friendly environment.
- The program includes **8 group lessons, weather permitting, at 11:30 am – 12:15 pm Fridays from June 1 - July 23.** Lessons will be held at the Monticello Pool and cost \$80. Missed lessons cannot be rescheduled.
- Additional private lessons will be available from the coaching staff at an additional fee.
- There are a limited number of spots available in the Lil' Gators program, and it fills up quickly. Contact lilgators@villagegreengators.com to reserve your spot today!
- If you have a child who will be 5 years or older by May 31, we invite them to join our Rookie Program, in which the basics are also taught.

Join the fun of the Village Green Swim Team!
