Location: 7675 S Krameria St, Centennial, CO 80112

Parking: There will be 2 swimmer drop off only zones – one on S. Krameria Street in front of the upper pool parking lot and the other along Kettle Ave (when you enter off Holly) in front of the lower parking lot by the tennis courts. There will be one spot reserved per team in either the upper or lower parking lots - look for the signs. There is parking along both sides of Kettle Ave towards Holly near the tennis courts. Be respectful when parking in the neighborhood and leave the appropriate amount of room near driveways and corners. Please be aware there are a lot of small children in our neighborhood - drive slowly.

Team Tents: Refer to the map for the location of each team tent. They will be marked with signs. We will provide trash bags for each team and collect them at the end. Please do not leave the meet without properly cleaning up your area.

Coaches: We will have a small space reserved for your coaches along the pool area. Look for the signs. Teams will be responsible for providing lunches for their own coaches.

Deck Seating: We would like to keep the areas immediately around the pool clear of chairs so spectators can move in and out to watch events. You can sit around the Baby Pool area if there is not space with your team. There should be plenty of room outside the pool area in the grass around the pool.

Heat Sheets: Will be sent out electronically before the meet. Each team is responsible for printing their own heat sheets. We will have a few for sale at concessions.

Volunteer Shifts: Pick up your name tag from our volunteer coordinator so we know you are present and aware of your shift.

Concessions: Concessions will be available near the pool entrance. We take cash and Venmo.

Restrooms: There will be portable restrooms set up outside the pool area

Race Results: Will be posted in Swimmingly and printed on the outside wall near concessions and the grill as soon as they are available.

Trash/Clean Up: The worst part of hosting a big meet is the cleanup at the end when everyone is tired. Please have your teams completely clean up your areas before you leave.

Volunteer Timers – If your team has extra Dolphin timers, please bring for back up.

Physical Starters: Teams who are not hosting a prelim, bring your starter fully charged and ready to go just in case we run into issues.

No Pets: No pets allowed on the pool deck.

Swim fast and have fun everyone!
