June 28, 2023

Greetings to all in Swimland,

On behalf of the Atlanta Swim Association we would like to welcome you back to the 2023 ASA Championship meet. We are happy to have you back in the stands supporting your swimmers and bringing an energy to the meet that encourages your swimmers to swim faster than ever. What a year we have had, another wonderful season of swimming, sportsmanship and fun. We are excited to once again host one of the largest meets in the U.S. and look forward to another great meet. We want to wish all of our swimmers the best of luck in this weekend's competition.

This year we are happy to return to the Georgia Tech and the McAuley Aquatic Center. This facility hosted the 1996 Olympic swimming, diving, water polo and synchronized swimming events. This wonderful facility has played host to numerous national and international events and is one of the best aquatic facilities in the world. Just recently Georgia Tech hosted both the 2022 Women's and Men's NCAA Division I Swimming and Diving Championships. Many more great events are on tab for the best aquatic center in the US. We are lucky to host our championship at one of the premier facilities in the US. ASA thanks the staff of the Georgia Tech Campus Recreation Center for all of their help in hosting this year's championship.

The Atlanta Swim Association strives to offer the best swimming program in town. We not only want to help create good swimmers, we hope to help create good people. We encourage good sportsmanship, the benefits teamwork, and want our swimmers to continue to improve their performances through hard work and fair play. These objectives are carried out each season by the tireless efforts of coaches and parent coordinators who continue to make each season fun for all. If you see one of these folks today, be sure to thank them, they are what make ASA the program it is today. We are grateful for their hard work and great attitudes. We hope that everyone has had a fun summer of swimming so far.

A special thank you goes to all of our volunteers this weekend. Each year teams provide us with the best help in the world for running a meet of this size. Thanks to the work of our volunteer timers, runners, bullpen workers, crowd control workers, awards and drink workers this meet gets done in a timely fashion. We would never be able to have this meet without their help.

We hope you enjoy the competition and again wish all of our teams and swimmers the best of luck.

Sincerely,

Franke Marsden, Mark Nedza and Evan Nylander
ASA Coordinators

Have fun, while learning to swim correctly. A successful season is when not only do our children improve throughout the season and learn to compete both individually and as a team, but also build a strong sense of togetherness and team spirit.

CPAC - USA SWIM TEAM (KIDS)

CPAC competes all year and encourages our swimmers to swim for their school teams, neighborhood summer league teams, as well as to play multiple sports if they so desire. CPAC's role is to train and get the best out of each swimmer without burning them out on the sport of swimming, while supporting your family's need for flexibility!

REASONS TO SWIM IN EVERY SEASON!

Beyond water safety, there are many amazing benefits to
YEAR-ROUND SWIM LESSONS!

GOAL GETTER: Whether addition, subtraction, spelling or phonics, achieving newfound knowledge is important. It's the same with swim lessons!

ACTIVITY ACCELERATOR: Swimming is an excellent source of exercise! It increases heart rate, tones muscles, conditions the heart & lungs, and burns 500 - 700 calories per hour.

BRAIN BOOSTER: Did you know? 3-5-year-olds who swim are 11 months ahead in verbal skills, 6 months ahead in math skills, and 2 months ahead in literacy skills.

MOOD MOTIVATOR: Swimming for just 30 minutes, three times a week, can lower stress levels, improve mood, lower incidents of depression and anxiety, and improve sleep patterns.
