Teams who do not perform their assigned duties will be penalized as follows: 25 points per position and \$20.00 per infraction up to a maximum of \$100.00 per meet. RELAYS

Relay Cards and Relay Sheets are in Coaches packet and should be returned to Clerk Table. Names on the Relay Cards **must** match names on the Relay Sheets.

- **Coed Free Relay** cards due by **7:50 AM**.
- **Medley Relay** cards due by **9:30 AM**.
- **Free Relay** cards due by end of the **Medley Relay** (each separate course).

Failure to turn in cards by required time will result in automatic scratch of that relay!

Relay entry cards will be given to the coaches prior to the start of each session. It is the responsibility of the coach to enter the names and order of the swimmers in that event and then turn in the cards to the Clerk Table by the designated time. **Once the cards have been turned in to the Clerk, the names and order may not be changed unless approved by the Referee.** Cards will be given to swimmers in Clerk of Course tent prior to the event and the swimmers must give the completed card to the timer at the block prior to their heat.

GKAISA Championship Rule 3.8 -

“After the Preliminary session, a team coach may add one alternate swimmer's name to the four swimmers that participated in the preliminary session and this alternate may replace any one of the four preliminary team swimmers. The team coach must make any changes in Relay Team members known to the Meet Referee prior to the stated time to turn in Relay Cards for that particular event. The alternate must be eligible (not swimming in more than three preliminary events but must have swum in at least one preliminary event) and be present at the meet. The coach will sign the Relay Card indicating any change in membership or order of swimmers on the back of the relay card. The swimmer being substituted for in a relay shall not be allowed to compete in subsequent events at the meet.”

CLERK OF COURSE

1. Events will be called 3 times and swimmers should report to the appropriate Clerk of Course tent by the 3rd call. Once a swimmer has reported to Clerk of Course they should remain there unless excused by the Head Clerk of Course.
2. Failure to report to the Clerk of Course before all the swimmers for the heat have moved into the building will constitute an automatic scratch in prelims, and a disqualification from that event in finals. **The swimmer that misses his/her heat will not be allowed to swim in a heat other than the one designated for that swimmer.** The Meet Referee may grant exceptions to this rule for specific cases, such as a swimmer/coach, a swimmer in back to back events, etc. It is team responsibility to get swimmers to Clerk of Course on time, no protests allowed based on failure to hear calls.
3. **Up to 10-minute break after Coed Relay** - Swimmers in both Coed Relay and the IM should immediately go to their Clerk of Course tent after their Coed Relay. No later than 10 minutes after completion of Coed Relay (or as soon as all swimmers are present), the IM heats will begin moving into the building.
