- Rules/Eligibility:** Current CSSCSA By-laws shall govern the meet. The by-laws are available at statemeet.com
- The heating area (if offered), the area behind the blocks and the turn end are reserved for Timers and Swim Meet Officials. Coaches are not permitted in these areas.**
- Age of the swimmer is determined on May 15th, 2022.
- Swimmers may be entered in a maximum of 3 Individual events and 2 Relays. Swimmers are required to meet the eligibility requirements as well as achieve qualifying times since May 15th, 2022.
- The Meet Referee shall be the final authority on all matters pertaining to the meet.
- Timing of Meet:** It is very important that this meet runs in an efficient and timely manner. We will be doing fly-overs and it is expected that the swimmers understand this. We will enforce timely reporting to the blocks and responding promptly to signals and commands as follows: When the swimmers and officials are ready, the Referee shall signal with an outstretched arm to the Starter that the swimmers are under the Starter control (102.14.4B). Swimmers stepping up late, after the Referee has signaled with an outstretched arm releasing the field to the Starter, "may" at the discretion of the Referee, be barred from competing in that event. It is the responsibility of every swimmer and coach to ensure that the swimmers

report to the starting area in a timely fashion and respond promptly to all signals and commands of the meet officials.

Timing: 2 Dolphin timers and a stopwatch.

Entry Fee: **Clubs need to pay CSSCSA Dues of \$45 per club to maintain status in CSSCSA as a condition of participation in the meet.**

Entry fees in the form of a single check per team made out to Master Community Association

Swimmer surcharge \$10 per swimmer. A portion of the surcharge will be donated on behalf of Jim Fernald.

Individual Event \$8.00

Relay Event \$12.00. Clubs entering more than 1 Relay have to have at least 1 individual qualifier in order to score.

Timers: Timing assignments will be based on team participation.

Seating: There will be no bleachers this year. Seating on the deck will be limited to older people and people with disabilities. No coach seating and limited shade will be available on the pool deck with a view of the pool.

Other than heating area, the grass areas inside the fence are closed. No camping and no set up of shade or chairs permitted by anyone on the grass inside the fence. No spectator chairs or camping on the pool deck. Spectators are in a standing room only experience. With no shade and no seat offered, the expectation is that spectators move to the park after their swimmer has competed in an event. Walkways on the north, south, east and west will be monitored and folks will not be allowed to camp or stop in these areas.

Coaches, Teams, Swimmers and Families are encouraged to bring your own shade and/or chairs for the grass outside the fence. Tents need to be removed between sessions, so we encourage teams to only bring pop-ups.

Entry Procedure: Please enter times in **Short Course Meters (SCM)**. Entries are accepted via email and should use Hy-Tel Event Template distributed with meet announcement. Coaches name, address, and phone number should be included in the entry submission. **This meet has qualifying times for all individual events. No Time (NT) entries in individual events or relay events are prohibited.**

Entry Deadline: **Tuesday, July 26th at noon.**

Entry Chair/**Safety Marshall:** Ryan Adamsryan.adams.5000+state2022@gmail.com**Event and Session Formats:**

In March, the City of Golden said they would not allow us to host State at Splash due to the lifeguard shortage. Since there was nowhere else to host it, they have agreed to host if we are completely out of the pool area by 9:45 am. Given these constraints, the following is the format of the meet. Event numbers will remain the same. Event numbers will advance to the next event for the specific Age Group. For example, Events #9 and #10 will be followed by Events #13 and #14. It is strongly recommended that coaches look at the order of events closely. 50 fly, 50 free, and 200 free are going to be close together.

Friday AM at Applewood Knolls, 11520 W 32nd Ave, Wheat Ridge, CO 80033

Traditional format of the 400 Freestyle will be at Applewood Knolls. This is a 6 lane pool, so it will take a little longer than last year. Warm up will be at 7 and the meet will start at 8. Participants are required to provide their own timers (2) and a counter.

Friday PM at Splash

11-12 and 13-14 Age Groups. Warm up will be at 5:00 and the meet will start at 6:00. No one will be allowed inside Splash until 4:30. Teams can set up tents outside the fence at any time. The meet should be finished by 8:30 pm.

Saturday AM at Splash

8 and under and 9-10 Age Groups. Warm up will be at 6:00 and the meet will start at 7:00. Swimmers need to clean up and leave Splash as quickly as possible. The meet should be finished by 9:30.
