#### 2023 Swim fees:

Fees cover approx. 40 practice days, 7 swim meets, 3-4 team events, and all costs associated with running the team (coaches, facility rentals, insurance, equipment, team events, swimmer apparel, and more).

Age 4 - 14 (1 <sup>st</sup> swimmer)	\$175
Additional swimmers	\$125
Cudas in Training	\$175
Age 15 -18	\$105

Food for thought: The value of summer swim team extends beyond the financial costs, as swimmers and families create new and rekindle summer friendships, connecting to the community while developing lifelong water skills and competency.

## SPONSORS

Everyone is aware our team relies heavily on sponsorships, helping us offset all the costs in running the program and keeping registration fees affordable and accessible.

We need your help!

Enclosed is the 2023 Sponsor Letter Can you commit to help us get the word out and lock in sponsors early?

Have a favorite restaurant, coffee shop or other retailer/vendor you visit regularly? Do you belong to a gym? How about a dentist, orthodontist, eye doctor, hairdresser, spa or beauty salon? Does your employer have a community giveback or donation program?

Any one of these may be interested in being a team sponsor, if only they were asked. Please give serious consideration to dropping off a copy of the sponsor letter to a business you have a relationship with.

**A SWEET DEAL:** get a discount on registration when you bring a new sponsor to the team, up to **FREE** registration/s for your swimmer/s if you secure a top-level Platinum sponsor.

We are super excited to see everyone again and looking forward to seeing all our swimmers back in action. We hope to see you poolside very soon.
