

## 2023 GREATER ATLANTA DIVING LEAGUE CHAMPIONSHIPS

Below you will find some helpful information for the GADL Championship meet being held at the GA Tech Aquatic Center also called the Campus Recreation Center (CRC).  
The address of the building is 750 Ferst Drive Atlanta, GA 30332.

\*Saturdays events will start at 9am(7:30am warmup). No 6&unders are able to warmup in the 7:30 session. Diving boards will close to the first event participants at 8:30am.

\*Only divers and table workers are allowed on the pool deck.

\*All participants and spectators should park in the Area/visitor 3 lot(\$2 an hour) on the diagram attached. You can use the address of 355 Ferst Drive. The entrance to the parking deck is next to this address. You will see the big sign that says Area 3 public parking. It is a click and pull lot. You pull up, hit the button, pull a ticket and pay when you exit via credit/debit card. There is no attendant at this parking lot. You must enter a credit/debit card to pay when you exit the deck. The parking deck next to the CRC building will not be open for our event. Unfortunately parking on the GA Tech campus is not free. Illegally parked cars will be ticketed at the owner's expense.

\*The t-shirt vendor will be located on the entry level outside of the spectator area which is just past the turnstiles.

\*Judging panels are in this packet. Any coach that does not satisfy their judging responsibilities for the meet will have an increased league entry fee next year. Coaches from all teams should expect to be in attendance for the entire event.

\*Volunteers will be needed at the table for each event. This is an opportunity for experienced table workers only.

\*There is no smoking in the building or glass allowed in the pool area. This is an indoor pool.

\*Medals will be awarded for 1<sup>st</sup> through 8<sup>th</sup> place.

\*Dual meet trophies will be awarded on Saturday.

\*Championship trophies will be awarded at the conclusion of Saturday's events.

## ORDER OF EVENTS

Saturday, June 24

	<u>Spectator side of diving well</u> <u>3-1 meter set of boards</u>	<u>Non-spectator side of diving well</u> <u>2-1 meter set of boards</u>
