

# GCSL 2024 Starter Officials Training

- Step 1 - Watch the 1 training video at the link below. The total time of the video is about 40 minutes.
- Step 2 - Once you have watched the video then click on the Starter test link below. This will take you to the 10-question quiz where you must receive a passing grade of 80% or higher. Every quiz is different with random questions and answers. Once you pass the quiz your information will be stored, and we will update our database with your certification date. To be certified as a Starter you must also have a current Stroke and Turn certification. You cannot be certified as a Starter only. Starter certification will be good for 2 years.
