## Carter McDonald – Head Coach

Hey! I am Carter Macdonald and I am student at Georgia Tech studying Biomedical Engineering.

I swam for varsity at River Ridge all four years as well as on the state team for 2 years and was a state finalist in 2022.

This is my third year coaching for Woodlands Wave but I was on the team for 12 years. I am excited to see everyone again and encourage every swimmer to try their best and have lots of fun. Looking forward to a great season!
