Practice Expectations

An adult is required to accompany any child 10 and under. Parents are not required to be at practices for children 11 and up. Please note: It will be at the coaches discretion to ask any child to leave who is not following directions and creating an unsafe environment for people.

We do not take attendance. You do not need to tell us if you will not be at practice. But remember your child will get out of it what you put into it. So keep that in mind with expectations of the season.

Inclement Weather

In the event of dangerous conditions due to the weather at the meets, the meet official and team coordinators will determine the length of the delay. Following a period of at least 15 minutes from the last clap of thunder, the meet will be restarted from the point at which it was suspended. If the delay lasts longer than 1 hour, the meet should be called and rescheduled if necessary. The meet is official after the 46th event (scoring heat only) has been completed. If the meet gets rained out this year we will make up during practices.
