

# Arbor Bridge Summer Swim Team

## 2026 Info Sheet

The Arbor Bridge Swim Team is a great way to make new friends and keep children active. Become a Gator and have a blast this summer.

|-----------------------|-------------------|
| Saturday, June 13     | Georgia Games     |
| Fri - Sun, June 26-28 | Patti Wilder Meet |

### FREQUENTLY ASKED QUESTIONS

#### When is the latest I can register my swimmer?

May 8th, the Friday before the first practice. However, we may have to cut-off registrations earlier for certain age groups when they reach registration capacity.

#### My children are beginner level swimmers.

#### Can they still compete in meets?

Swimmers aged 5-18 must be able to swim a complete lap, unassisted in 90 seconds to compete in the swim meets. If your swimmer cannot meet the requirements, meet with your coordinator. Non-competitive swimmers participate in daily practices, but do not compete in swim meets. Please remember - practices are not the same as swim lessons. You may hire one of our coaches for private swim lessons

#### How do I let you know my child will miss a meet?

RSVP for all meets on our website. If you do not RSVP for a meet, we assume your swimmer cannot make it and they will not be placed in any events.

#### Do I have to volunteer?

We could not run successful meets without our amazing volunteers, so we require each family to volunteer for 4 time slots during the season. If you are unable to fulfill your 4 time slots, you may pay the \$150 opt-out fee before the first meet. You will select your volunteer slots during online registration, but can swap anytime prior to a meet.

#### Do I need a team swimsuit?

Your swimmer does not have to wear the team swimsuit. If you do wish to purchase a swimsuit (new design this year), please attend Gator Gear-Up Day at the Arbor Bridge Clubhouse on May 3 from 3-5pm to try-on and order swimsuits. Other options include visiting Keifer Aquatics at 885 Woodstock Road, Suite 400, or purchasing from our online store. Our swimsuits are the *Sandies Wave Daze*.
