

Sugar Creek is pleased to host your team at our pool. The address of our pool is:

103 Sugar Creek Road
Greer, SC 29650

Meet Start Time and Warm Ups:

- Meet start time is 5:00p.
- STONE LAKE will warm up from 4:15-4:45p. SCR will warm up 3:45-4:15p. Pool will be cleared of all swimmers at 4:45p.

Parking:

- We will provide 7 spaces for your coaches/volunteers in the upper lot by the pool. They will be marked as "Visitor Parking." It is the responsibility of the SAIL Rep of STONE LAKE to designate these parking spaces.
- Swimmer drop off is in the upper lot. Once the swimmer has been dropped off, the family may park in the neighborhood where there is not a sign saying "no parking" or across the street at Covenant Church. Please advise parents not to park under the portico at the front door as to allow church members access to the Church. Please advise your families to cross Old Spartanburg with caution.

Team tents and area:

- The swimmers may sit in the front lawn of the clubhouse. Tents may be used as needed. They are also large shade trees in this area.
- Please instruct your team to not to disturb the landscaping or the landscape lighting. Our HOA has asked us to pass this on to the visiting teams.

Concessions:

- Concessions will be sold for cash and cards. We will also have a snow cone truck there and they take cash or cards.
- Coaches will be provided a dinner and small snow cone ticket. Please let me know how many coaches you will have at this meet.

Bad Weather Plan:

- Very heavy rain—In case of heavy rain, swimmers will be asked to leave their tent area. They may come in the clubhouse, but space is limited. They may also go to their cars with parents.
- Severe weather—In the event of severe weather, all spectators and swimmers should return to their cars. We will be monitoring with the National Weather Service. It is at the lifeguards and Meet Referee discretion whether to stop the meet or not. The Meet Referee, a lifeguard, Meet Director, and SAIL Reps from each team will decide when the meet shall resume.

Restroom Facilities:

- The restrooms for the swimmers and spectators is located on the pool deck beside the balcony outside concessions.

Alcohol:

- As part of the SAIL organization by-laws, no alcohol is permitted during SAIL sponsored events.
