

Hi Stars **RED** parents!

Our meet is this Saturday, July 5 vs. Anderson Mill Barracudas. This team's pool does not have any time restrictions. In addition to two large teams competing, Anderson Mill only has a 6-lane pool which is why the meet will run a little longer this time. Also, please note that we will be doing in-water starts for legs 2 and 4 of the relays at this pool due to one end of the pool being too shallow for safe diving.

For injury, illness or any other situation that occurs which will prevent your child from attending the meet, please e-mail (brandy.k.harrison@gmail.com), or text ([512-605-7279](tel:512-605-7279)) me as soon as you know so we can adjust our meet entries.

MEET LOCATION

10701 School House Lane. Austin, TX 78750.

PARKING

You may park in the Anderson Mill Baptist Church parking lot south of the pool. If that is filled, please be mindful of any no parking zones – which includes no parking on the bridge on School House Lane – and NEVER park in a resident's driveway or block access to their home or mailbox.

CONVERSION

There is a conversion factor of .999 at this pool. This means that the Anderson Mill pool is just slightly larger than 25 yards. All teams in our swim circuit report times in yards for consistency and fairness, so swimmers' times will be multiplied by .999 to get their time in yards (for example, if your child's time at this meet for the 25 Free is 30 seconds on the stopwatch, it will be converted to 29.97 seconds as their finals time). The timers will report the time on their stopwatch as usual, and then the conversion will take place with the scoring volunteers. The results posted at the meet and online will already be converted.

HEAT SHEETS

The heat sheets are attached to this e-mail. You can also find all of the heat sheets on Swimtopia under the Quick Links section 'Meet Heat Sheets and Results'. **Please note: Relays are subject to change and reorganization until scratches are determined right before the meet starts.**

MEET MOBILE

Meet Mobile – Heat Sheets and event results are uploaded in real-time to Meet Mobile smartphone App.

GOOOOOO STARS!!!

Thanks,

Brandy Harrison– Stars **Red Team Coordinator**
