

2026 NJSDC Conferences

Timing Assignments: In order to ensure a smooth and efficient meet, all teams are asked to make sure their timing assignments are covered.

- Note:**
- * We will be swimming 8 lanes in a 25 yard pool
 - * You may choose to break up your lane with different shifts, that is up to you.
 - * The number of timing assignments for each club is based on the number of swimmers entered.
 - * There will be a timer's meeting at 8 am.
 - * All first session timers and anyone who is NEW to timing should attend the meeting.
