Important information for Parents regarding Swim Meets

1. The team needs many volunteers to run the meets. In order to run a successful season we rely on volunteers. We will require each family to volunteer a minimum of 3 timer slots through the season. Families who do not volunteer will be charged a \$50 fee at the end of the season.
2. Please remember to sign your swimmer “out” if they can not attend a meet. This helps our Coach plan.
3. We are in need of a team photographer who can take pictures at swim meets and practice for the end of the season video!
4. We will also need assistance with the following: parking attendant (home meets), score keeping, 50/50 sales, meet announcer, snack bar.

We will train you- no experience necessary!

A well run, efficient meet is a reflection of our team!

All things **LITTLE PIRANHAS!**

Little Piranhas is the developmental age group of 4 years old and younger. This age group will have practice (swim lesson) on **Monday, Wednesday and Thursday 10:30-11am.**

There is also a Little Piranhas swim meet (date TBD). Swimmers will be able to swim one width of the pool while the “big kids” cheer them on. This is a fun team building event that everyone looks forward to!

Team Building activities

One of the best aspects of summer swim team is the friendships the kids develop. This is encouraged through multiple team building events.

A few examples are: Movie night at the Pool after home swim meets, teeshirt tie dye day, team poster making for time trials, games at the pool, team picture and the swim team banquet.
