

# SHS Swim & Dive Team Parent Contract 2019-2020

- ◆ I will be supportive of the Sequoyah Chiefs Swim & Dive program, athletes and coaches.
- ◆ I will not discuss any athlete's other than my own with the coaching staff.
- ◆ I will speak only positively of the Sequoyah Chiefs Swim & Dive program, athletes and coaches, both publicly and privately including social media.
- ◆ I will first allow my athlete to try to resolve any issues he/she may have with the head coach. After my athlete has discussed the issue with the head coach and if I do not feel the issue has been resolved, I will then schedule a time to meet with the head coach of the program. If after these meetings I still feel the issue has not been resolved, I will ask the head coach to set up a meeting with coaches, athletic director and myself.
- ◆ I will wait at least 24 hours for a cool down period before communicating with the head coach about any issues.
- ◆ I will not communicate with the athletes or coaches during practice or 45 minutes before meets and throughout meets, so they can focus on doing their best.
- ◆ I will sign up for timing duties, working the gate, etc. and participate in all fundraising activities to help the Swim & Dive program.
- ◆ I understand that ALL communication concerning the Sequoyah Swim & Dive program must be addressed to Coach Greene.
- ◆ I understand that the Sequoyah Swim & Dive program is a varsity sport run by Coach Greene and her coaching staff, and that the booster organization is in place to support the athletes and coaches and does not run the Sequoyah Swim & Dive program.

*I, the undersigned, agree to abide by all rules and regulations of this contract and the Sequoyah High School Athletic Handbook and will be committed and supportive of the Sequoyah Chiefs Swim & Dive program.*
