The RRAC has four 1m diving boards with sprayers for breaking the water under each board. If it is cold that day be prepared with an extra towel or parka to stay warm between dives.

This will be an 11 dive meet with a 5 judge panel. Dive lists will need to have five required dives, one from each category with max DD of 1.9 and 6 optional dives one from each category with one extra from any of the 6 groups. Women and men will run together. Awards will be separated at the end to determine the top 6 in each category. **ALL** dive changes need to be submitted to Coach D'Anna White via email no later than 10am on 1/21/25.
