- Rain date will be the following evening, unless there is a conflict at the home team's pool. In the event that dangerous weather forces a meet to stop for the evening, it will resume at the same event on Thursday (or as agreed by the team Reps) – unless the first half of the meet has been completed. In that case, the rest of the meet is canceled.
- We will follow the MCSL "false start" rules.
- Stroke judging will be the same as for an A meet.
- All other situations will be governed by MCSL rules.
- We will follow the MCSL "A" event schedule.

- There will be an informal "kickboard event" during the intermission for pre-team swimmers who wish to participate, Event 26(c). Teams can opt to participate. The home team is responsible for supplying the participant ribbons.
- DQs will be signed off on by the Admin Ref. DQ sheets will be available for the coaches after the meet.
- The area where swimmers are lined up before their race, normally designated 'Clerk of Course', and the deck where swimmers start their race should be free of any unofficial personnel to prevent confusion and allow the meet to run smoothly.
