

Below are the Job Assignments for States.

Jobs have been assigned based on SWIMMER name, not parent/guardian name. An adult in your family is responsible for covering the job assigned to your swimmer.

It would be FANTASTIC if no one has any issues with their assignment. That said, if there is an issue, please let me know ASAP.

Please ask any questions about your job now, so we are good-to-go at meet time.

Thanks!
