[Baxter Village Community Center Pool 3187 Colonel Springs Way, Fort Mill, SC 29708](#)

Directions:

From Interstate 77, take exit 85. Head north on Highway 160. Turn left onto Sutton Road. Turn right onto Founders Street. Make a right at the stop sign and a quick left onto Settlers Height Drive.

Parking:

There is no access to the pool parking lot during meets. It is used as set up for swimmers. Street parking is available nearby the Community Center in any designated parking spots. Parking in front of the Community Center is prohibited, but swimmer drop off here is allowed. Please do not block private driveways.

Swimmer Staging and Seating area:. Riptide swimmers will be on deck to the left of the blocks. Baxter swimmers will be staged in the parking lot and walked up. There is limited shade on deck so I would recommend tailgate tents.

Spectator Seating:

Parents may sit next to the pool's edge on either side, but must keep the walkway clear under the arbor area. Please use the sidewalk closest to the building for access to the parking lot area. There are minimal seats on the pool deck during meets and reasonable sized collapsible chairs are preferred.

Restrooms:

There are facilities in the outbuilding (pool house) at the end of the pool and at the base of the community center.

Vendors and Food:

Baxter will have food trucks available at all home meets. Cash and CC accepted at most trucks. This Thursday, we will have Papi Queso, Fresh Med, Archie's BBQ, True Craft Pizza, Philly Pretzel Factory and Kona Ice.

Kiddie Pool and Playground:

The kiddie pool and exterior playground will be closed during meets. Please ensure kids stay out of these areas.
